Sex and the City Uncovered Marian Jordan, 2010-05-01 Sex and the City the popular television series and motion picture franchise glorifies the lifestyles of four fashionable New York women who hang out in bars and talk bluntly about their broad range of sexual experiences The awards lavished upon the show would imply it holds some redeeming value However despite claims that Sex and the City is ultimately about the longing for a committed relationship the glamorization of casual sex and always looking fabulous can take a toll on impressionable young women Just ask Marian Jordan In Sex and the City Uncovered she admits A painful existence of looking for love in all the wrong places is hidden behind images of couture fashion witty dialogue and beautiful people I know this to be true because I've lived it A former party girl with her own stories of hookups hangovers and heartbreak Marian now speaks about the unfailing love she has found in Jesus and helps struggling women fill their hearts with this same joy *The Glory Shall Be Revealed* Wayne Connor, 2017-06-13 The Glory Shall Be Revealed is a collection of poetry that spans over thirty years These riveting and deeply creative works will move the readers with a sense of openness spirituality and everyday emotions They all come from an honest place in the authors soul

The Bridge to home Denisa Nelson, 2009-03-06 **Unveiling Eve** Tova Rosen, 2013-04-23 Selected by Choice magazine as an Outstanding Academic Title Unveiling Eve is the first feminist inquiry into the Hebrew poetry and prose forms cultivated in Muslim and Christian Spain Italy and Provence in the eleventh through fourteenth centuries In the Jewish Middle Ages writing was an exclusively male competence and textual institutions such as the study of scripture mysticism philosophy and liturgy were men's sanctuaries from which women were banished These domains of male expertise alongside belles lettres on which Rosen's book focuses served as virtual laboratories for experimenting with concepts of femininity and masculinity hetero and homosexuality feminization and virilization transvestism and transsexuality Reviewing texts as varied as love lyric love stories marriage debates rhetorical contests and liturgical and moralistic pieces Tova Rosen considers the positions and positioning of female figures and female voices within Jewish male discourse The idolization and demonization of women present in these texts is read here against the background of scripture and rabbinic literature as well as the traditions of chivalry and misogyny in the hosting Islamic and Christian cultures Unveiling Eve unravels the literary evidence of a patriarchal tradition in which women are routinely rendered nonentities often positioned as abstractions without bodies or reified as bodies without subjectivities Without rigidly following any one school of feminist thinking Rosen creatively employs a variety of methodologies to describe and assess the texts presentation of male sexual politics and delineate how women and concepts of gender were manipulated fictionalized fantasized and poeticized Inaugurating a new era of critical thinking in Hebrew literature Unveiling Eve penetrates a field of medieval literary scholarship that has until now proven impervious to feminist criticism *Touch Me* Nina L. Melbourne approach this mystery through the lens of St John Paul II's theology of the body with the goal to both introduce and more clearly illumine its major features. In particular emphasis is placed on how a theology of the body is not just about sex. Rather it is above all about how each and every person no matter what her state of life is stamped by the watermark of being from and being for. Working within this broader perspective God and Eros offers the reader a lively engaging and at times challenging tour of the full ethos of the nuptial mystery.
