## **Lovelives How We Make Love:**

Lovelives Samuel Dunkell,1978      **Love Lives** Carol Dyhouse,2021-02-11 The story of how women s lives loves and dreams have been re shaped since 1950 the year of Walt Disney s Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life s problems But over the next fifty years women s lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women s lives loves and dreams since 1950 the year in which Walt Disney s film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney s Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women s expectations and emotional landscapes have shifted asking bold questions about how women s lives have been transformed since 1950 How have women s changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women s life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women      **Love Lives: a guide to succesful relationship through communication, spirituality, and empathy.** Arian Velasquez M.A.,2013-09-04 In this book Arian Velasquez takes a spiritual and practical approach to having a happy relationship She uses elements of metaphysics therapy and true life experience to help teach readers how to really transcend the inability for many to make a relationship last Arian Velasquez started healing others at the age of 21 She then became a traditional counselor trained as a Marriage and Family Therapist in California Soon after she met the love of her life and has never been the same After thousands of sessions with clients Arian clearly saw the need for people to learn how to truly be in loving relationships that lasts In a world where the quest for love is so strong this book is a necessity for anyone wishing to dive deep into a fulfilling relationship This book is a practical guide that can be used even if you have never been involved in metaphysical studies While Arian s approach is very metaphysical she breaks down the concepts in a way that all walks of life can relate to      **True Love Lives Here** David R.
