nations of many nationalities Love in destiny or without destiny well taste it carefully and legally but when you fall in love with spymaster then you ll always meet undetectable situations and anonymous hunters who can be anything with credentials from the government to cover up dirty jobs Don t be a victim of spymaster You better always ask before you make any relationship with somebody I love my Queen of lovers finally and you taught me a lot in governmental secrecy and how a spymaster acts as a romantic lover to use my linguistic abilities during secretive missions in various continents I love you my Queen
