

[greek]

Be in me as the eternal moods
of the bleak wind, and not
As transient things are—
gaiety of flowers.
Have me in the strong loneliness
of sunless cliffs
And of gray waters.
Let the gods speak softly of us
In days hereafter,

the shadowy flowers of Orcus
Remember thee.

Lovers And Lairs Poems From The Greek:

The Poetics of Eros in Ancient Greece Claude Calame, 2013-08-18 The Poetics of Eros in Ancient Greece offers the first comprehensive inquiry into the deity of sexual love a power that permeated daily Greek life Avoiding Foucault's philosophical paradigm of dominance submission Claude Calame uses an anthropological and linguistic approach to re create indigenous categories of erotic love He maintains that Eros the joyful companion of Aphrodite was a divine figure around which poets constructed a physiology of desire that functioned in specific ways within a network of social relations Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros then delivers a history of the deity's roles within social and political institutions and concludes with a discussion of an Eros centered metaphysics Calame's treatment of archaic and classical Greek institutions reveals Eros at work in initiation rites and celebrations educational practices the Dionysiac theater of tragedy and comedy and in real and imagined spatial settings For men Eros functioned particularly in the symposium and the gymnasium places where men and boys interacted and where future citizens were educated The household was the setting where girls brides and adult wives learned their erotic roles as such it provides the context for understanding female rites of passage and the problematics of sexuality in conjugal relations Through analyses of both Greek language and practices Calame offers a fresh subtle reading of relations between individuals as well as a quick paced and fascinating overview of Eros in Greek society at large

Arabic and Hebrew Love Poems in Al-Andalus Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain

Ballads of Life, Love, and Humour Robert Williams Buchanan, 1882 **The Art of Love Poetry** Erik Irving Gray, 2018 The first study to offer an integral theory of love poetry examining why it is that poetry even more than other arts is so consistently associated with romantic love **Poetry, Modernism, and an Imperfect World** Sean Pryor, 2017-03-06

Diverse modernist poems far from advertising a capacity to prefigure utopia or save society understand themselves to be complicit in the unhappiness and injustice of an imperfect or fallen world Combining analysis of technical devices and aesthetic values with broader accounts of contemporary critical debates social contexts and political history this book offers a formalist argument about how these poems understand themselves and their situation and a historicist argument about the meanings of their forms The poetry of the canonical modernists T S Eliot Mina Loy and Wallace Stevens is placed alongside the poetry of Ford Madox Ford better known for his novels and his criticism and the poetry of Joseph Macleod whose work has been largely forgotten Focusing on the years from 1914 to 1930 the book offers a new account of a crucial moment in the history of British and American modernism *Gendered Dynamics in Latin Love Poetry* Ronnie Ancona, Ellen

Greene, 2005-11-18 In recent decades Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture This new volume the first to focus specifically on gender dynamics in Latin love poetry moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them Rather the essays in the collection explore the ways in which Latin erotic texts can have both effects shifting power back and forth between male and female If there is one conclusion that emerges it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society In fact as several essays show there is a dialectical relationship between this poetry and Roman cultural practices By complicating the views of gender dynamics in Latin love poetry this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives *Specimens of the Poets and Poetry of Greece and Rome*

William Peter, 1847 **Love Poetry Out Loud** Robert Alden Rubin, 2007-01-01 Presents a collection of one hundred poems about love organized into such categories as silly love songs loves me not and failure to communicate and includes poems by Shakespeare Emily Dickinson and Seamus Heaney *The Lunatic, the Lover, and the Poet* Michael Yatron, 1964 *The*

Liar's Wife Mary Gordon, 2015-07-07 In the short novels that make up this beautiful collection Mary Gordon presents a quartet of finely rendered emotionally resonant stories Here we meet the ferocious Simone Weil during her last days as a transplant in New York City a vulnerable American graduate student who escapes to Italy after her first compromising love affair the charming Irish liar of the title who gets more out of life than most and Thomas Mann opening the heart of a high schooler in the Midwest At every turn Gordon revels in the interactions and crucial flashes of understanding that change lives forever Entrancing reading *The Liar's Wife* is a wonderful demonstration of Gordon's literary mastery and human sympathy *Library of the World's Best Literature, Ancient and Modern: Biographical dictionary* Charles Dudley

Warner, 1902 **Library of the World's Best Literature: Biographical dictionary** Charles Dudley Warner, Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, George H. Warner, Edward Cornelius Towne, George Henry Warner, 1898

Warner's Dictionary of Authors Ancient and Modern Charles Dudley Warner, 1902 **Twelve Centuries of**

English Poetry and Prose, 1910 *Library of the World's Best Literature* Charles Dudley Warner, 1898 *The American Catalogue*, 1905 **pt. 2. The dramatic poets** Sir John Pentland Mahaffy, 1908 **pt. 1.
