Lovers Credo:

Lyrics of Love Hans Rudolph Reinhard Hertzberg, 1906 **Love lyrics and valentine verses. [2 pt. The 1st part is entitled The lover's poetic companion and valentine writer; the 2nd part is entitled The lover's birthday book and valentine verses for young and old].** Love lyrics, 1875 **Ski**, 1973-03 **Lover's Credo** Corliss Lamont, 1983 **Love lyrics and valentine verses** Love lyrics, 1875 **John Lyly** Ruth Lunney, 2017-03-02 John Lyly is the first collection of essays dedicated solely to the work of this University Wit celebrity prose writer and playwright to the court of Elizabeth Lyly's energy and wit inspired his contemporaries to follow new directions in prose fiction and stage comedy and his writings still illuminate sixteenth century culture for the modern reader The twenty four essays in this selection include some older classics but most date from 1990 onwards and reflect current critical concerns with politics and sexuality class and audience Both Euphues books and the eight plays receive some detailed attention The essays are grouped into four sections Lessons in Wit Courting the Queen Playing with Desire and Performing Lyly A biographical summary and critical survey are provided in the introduction other voices and insights are alluded to in the notes and listed in the wide ranging bibliography **The Elegiac Passion** Ruth Rothaus Caston, 2012-08-01 The passions were a topic of widespread interest in antiquity as has been shown by the recent interest and research in the emotions in Greek and Roman literature Until now however there has been very little focus on love elegy or its relation to contemporary philosophical positions Yet Roman love elegy depends crucially upon the passions without love anger jealousy pity and fear elegy could not exist at all The Elegiac Passion provides the first investigation of the ancient representation of jealousy in its Roman context as well as its significance for Roman love elegy itself The poems of Propertius Tibullus and Ovid are built upon the presumed existence of a love triangle involving poet mistress and rival the very structure of elegy thus creates an ideal scenario for the arousal of jealousy This study begins by examining the differences between the elegiac treatment of love and that of philosophy whether Stoic or Epicurean Ruth Caston uses the main chapters to address the depiction of jealousy in the love relationship and explores in detail the role of the senses the role of readers both those internal and external to the poems and the use of violence as a response to jealousy Elegy provides a multi faceted perspective on jealousy that gives us details and nuances of the experience of jealousy not found elsewhere in ancient literature She argues that jealousy turns centrally on the question of fides The fear of broken obligations and the consequent lack of trust are relevant not only to the love affair that forms the subject of these poems but to many other relationships represented in elegy as well Overall she demonstrates that jealousy is not merely the subject matter of elegy it creates and structures elegy's various generic features Jealousy thus provides a much more satisfying explanation for the specific character of Roman elegy than the various theories about its origins that have typically been put forward **César Vallejo** Stephen M.
