Lovers Philip Geftner, Michael Denneny, 1977 **LOVE: The Heroic Stories of Marriage Equality** Frankie Frankeny, 2025-04-15 Celebrating the history of the LGBTQ community's marriage equality movement from the 1950s until today this triumphant journey is presented in compelling stories of the pioneering couples along with winning photographs This beautiful moving tome honors the brave LGBTQ couples activists and allies who fought for and ultimately gained the right to marry The chronological presentation of 100 inspiring stories of these dauntless partners up to the strategists of today recount how they were instrumental in bringing about this basic civil right Beginning in the pre 1970s era when gay couples were nearly invisible the story then shifts to the growing activism of the 1980s and 1990s continues with the landmark Supreme Court ruling in 2015 which granted full marriage equality across the nation and concludes with an exploration of current issues These moving profiles along with archival images feature couples from major court cases such as Jim Obergefell and John Arthur along with well known personalities whose narratives helped draw attention to marriage equality including Cynthia Nixon and Christine Marinoni George and Brad Takei and Ellen DeGeneres and Portia de Rossi

Bollyworld Raminder Kaur, Ajay J Sinha, 2005-07-13 Providing a critique of a common scholarly tendency in the field of popular Indian cinema this text argues that Indian cinema cannot be understood in terms of a national paradigm but must instead be considered as a field of visual and cultural production that interlinks diverse sites in India and beyond

Many of them like Caroline Knapp started in their early teens and began to use alcohol as liquid armor a way to protect themselves against the difficult realities of life In this extraordinarily candid and revealing memoir Knapp offers important insights not only about alcoholism but about life itself and how we learn to cope with it It was love at first sight The beads of moisture on a chilled bottle The way the glasses clinked and the conversation flowed Then it became obsession The way she hid her bottles behind her lover s refrigerator The way she slipped from the dinner table to the bathroom from work to the bar And then like so many love stories it fell apart Drinking is Caroline Kapp s harrowing chronicle of her twenty year love affair with alcohol Caroline had her first drink at fourteen She drank through her yeras at an Ivy League college and through an award winning career as an editor and columnist Publicly she was a dutiful daughter a sophisticated professional Privately she was drinking herself into oblivion This startlingly honest memoir lays bare the secrecy family myths and destructive relationships that go hand in hand with drinking And it is above all a love story for our times full of passion and heartbreak betrayal and desire a triumph over the pain and deception that mark an alcoholic life Praise for Drinking Quietly moving Caroline Knapp dazzles us with her heady description of alcohol s allure and its devastating hold Los Angeles Times Book Review Filled with hard won wisdom a perceptive and revealing book San Francisco Chronicle Eloquent a remarkable exercise in self discovery The New York Times Drinking not only describes triumph it is one Newsweek Haunted Florida Love Stories Christopher Balzano,2020 Wide eyes sweaty palms and a racing heart Are these the tell tale marks of a love story or a haunted tale If the story is set in Florida there s a good chance it s both From the infamous Bellamy Bridge to a haunted lighthouse in Key West love is in the air but it isn t always a good thing Author and folklorist Christopher Balzano follows lingering campus whispers and trails that vanish into the swamp to track down the urban legends and ghostly lore of Sunshine State love affairs that live on even after death Home Needlework Magazine ,1908 **Literary News** ,1895

New York Magazine ,1990-03-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Greatest Stories Ever Told* Dr. Neil A. Mence,2015-01-20 The Parting of the Red Sea Noah s Ark and the Flood David and Goliath Samson and Delilah the Tower of Babel they re stories we all know only too well But what lies behind them Should they be taken at face value or does each have an underlying message I believe they do but such messages are relevant only when we can apply them to our daily experiences Each day we have our own Red Sea to cross a personal challenge and each day we re called upon to knock down the Walls of Jericho overcome something It often feels that as we move further into the 21st century that life is becoming increasingly fast paced where the desire for instant answers is the norm I believe that the insights given in this book provide a glimmer of hope and reassurance Enjoy the journey

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel,2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies *The Chronicles of Narnia* Francine Rivers s *Redeeming Love* Jan Karon s *Mitford* novels *Left Behind* the films of the *Sherwood Baptist Church* and *Duck Dynasty* uncover both harmful stereotypes and Christians serving as leaders in social justice **70**

Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and

others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out
