Voices of My Soul John Chaber Prince John Chaber,Prince John Chaber,2010-03 There is naught that causes the heart to cry out like the ecstasy of love or the agony of sorrow In these verses and meditations are poured out the soul and spirit the body and mind of the author as he draws from the fountains of life and reveals within these pages a plethora of emotions which are only found in the depths of the deepest caverns of the soul Between the confines of the ecstasy and the agony the author encounters intervals of restful solitude and blissful introspection which allow him to contemplate the often contradictory vicissitudes of life as it wends its troubled journey towards the infinite And there the author invites us to share the voices of his soul voices which speak of joy and sorrow life and death verses and meditations the voices of the soul Rev Dr John S Weekes Voices of My Soul contains sonnets written for the most part from experiences of the author s own heart The meditations and other poems that he has included here are the results of riper years written from the experience of living on three continents and over half a dozen countries before finally settling in the United States
