Charles Williams and C. S. Lewis Paul S. Fiddes, 2021 This study of the literary relationship between Charles Williams and C S Lewis during the years 1936-1945 focuses on the theme of co-inherence at the centre of their friendship The idea of co-inherence has long been recognized as an important contribution of Williams to theology and had significant influence on the thought of Lewis This account of the two writers' conviction that human persons inhere or dwell both in each other and in the triune God reveals many inter-relationships between their writings that would otherwise be missed It also shows up profound differences between their world views and a gradual though incomplete convergence onto common ground Exploring the idea of co-inherence throws light on the fictional worlds they created as well as on their treatment whether

together or separately of a wide range of theological and literary subjects the Arthurian tradition the poetry of William Blake and Thomas Traherne the theology of Karl Barth the nature of human and divine love and the doctrine of the Trinity This study draws for the first time on transcriptions of Williams lectures from 1932 to 1939 tracing more clearly the development and use of the idea of co inherence in his thought than has been possible before Finally an account of the use of the word co inherence in English speaking theology suggests that the differences that existed between Lewis and Williams especially on the place of analogy and participation in human experience of God might be resolved by a theology of co inherence in the Trinity

Campbell,2017-08-04 Discipleship and sonship are intimately connected Jesus was a Son to His Father and a rabbi to His disciples His goal was to teach His disciples how to be sons by introducing them to the Father and calling them to follow Him and imitate Him as God s beloved Son They were to be His replicas on earth training others to follow Him Jesus was a Jew born and raised in the Jewish language and culture of His day Out of this richness He invited and trained uneducated men to take His yoke learn from Him and go into the world to set people free from their yokes of bondage Westernization has obscured the Biblical meaning of discipleship and pawned believers who have lost the truth and simplicity of following Jesus The church has been fragmented by theology and tradition instead of being united by the Spirit of Jesus Jesus stripped Judaism of its impositions by taking people back to the Torah and explaining what God meant not what rabbis imposed on it This book is an attempt to re introduce believers to Jesus s yoke by teaching them to embrace the spirit of Torah which reflects not rules or religion but mercy based on the love of the Father **Sermons Preached at Trinity Chapel,**
