To Be Continued Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued Second Edition* maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others.

Prevailing Love Professor Samuel C. Obi, 2022-11-04 *Prevailing Love* is all about what to do when everything else has failed, a common reason why our world is littered with bloody issues. It emphasizes the kind of love which enables individuals to forgive one another and live better lives. It also shows the different kinds of secular love and their weaknesses. It then points out that prevailing love is what we need to live better in this world. All other kinds of love have been tried by mankind but the results have left mankind heartbroken and unhappy. Much effort has not been made to learn and practice prevailing love. Without God's kind of love, our world and all relationships will continue to be shaky, bitter, and tumultuous. This book is divided into seven distinct chapters. Chapter 1 introduces the reader to the topic of love and a world without prevailing love, the main reason we have so many local and international human disengagements, hatred, and wars. Chapter 2 examines the limitations of secular love and explains why it cannot solve our social ills. Chapter 3 introduces prevailing love, its definitions, and ramifications, and why it is the only option that can make a real positive difference in our world. Chapter 4 examines how one can develop prevailing love for dealing with personal, family, and societal social issues. Chapter 5 examines true-life examples of some individuals who have lived in prevailing love. Chapter 6 discusses selected benefits of prevailing love if it is applied in our society today. Chapter 7 is designed to help people who do not have a personal relationship with God to be born again.

The Soul's Voyage To Love's Crescendo Vipul Goyal, 2024-10-04 As the author of *The Soul's Voyage to Love's Crescendo*, I invite you on an extraordinary journey, a journey that unravels the essence of love in its myriad forms and explores the profound depths of human emotions. Within the pages of this book, you will encounter the various faces and phases of love, from its tender beginnings to its turbulent storms and its ultimate crescendo. This collection, inspired by personal experiences and heartfelt emotions, delves into the intricate complexities of love, unveiling its beauty and pain, its joys and sorrows. Through my own love story, where I encountered heartache and loss, I hope to illuminate the power of love's transformative nature and the resilience of the human spirit. Through poetic verses, I aspire to touch your soul, remind you of the universal language of love, and inspire you to embrace love's journey with an open heart and a profound appreciation for its transformative power. This book is a testament to the magic and vulnerability of love and an invitation to embark on a voyage that transcends time and touches

the very core of our existence *The Royal Love Law* James Jackson,2019-09-09 Picking up this book is one of the most important things you have ever done in your life because true love power will be revealed to you like you have never known or understood before This kind of love power will keep God s promises to deliver and release you from a broken heart abusive relationship battered life and any violation of your love This book is a spiritual mirror that reveals love truths about you and your relationships This book has the ability to transform one s natural understanding of love to the supernatural power of love I promise you that this book will take you on a true love journey into the unknown and making true love known to you in power Just remember that this book will be one of the greatest spiritual investments with interest that you have ever sowed and planted in yourself your spouse family friends and associates This book is a combination of three books in one to make you spiritually rich with information on love for the price of one This book is God s gift of love to you that is extraordinarily motivational and inspirational at first sight **Partners in God's Love** John Davey,2007-04 Written by a retired missionary in the form of a daily devotional this book combines a lifetime of personal experiences with biblical principles It covers topics such as patriotic love brotherly love love calling children home love among the ruins and self love Practical Life Beyond the Shades of Gray Dean Bailey,2011-12-12 Beyond the Shades of Gray is based upon Christian fundamentals and beliefs It was not written to convince anyone that homosexuality is wrong It was written primarily to assist those who are inwardly convinced that their own homosexuality is wrong for them Over 10 years in the personal journey of its writing the author uses practical applications of Bible scripture throughout the book without religiosity Scripture is used to confront various aspects of this very controversial subjecthead on Therefore the author makes no apologies for the portions of this book that may seem to be more graphic in nature than your average Christian book Homosexuality is a subject that absolutely needs to be dealt with truthfully and without religious avoidance of difficult topics If you are a person who has ever had doubts or questions about your sexual orientation or behavior then what the author has written here is for you The work contains a wealth of practical biblical principles and also includes information for women But the book is otherwise a work written by a man for other men who also desire freedom and heterosexual restoration from their own unwanted homosexual behaviors What we long for is a deep and heartfelt sense of brotherhood and the author proposes that the real issues behind homosexual behaviors are not about sex Gods love agpe love always has both a balance of truth and a responsibility that goes along with it In this book I take the same agpe love approach toward homosexuality as Jesus did in the Book of John Chapter 8 with the woman caught in the sin of adultery Jesus showed great love and compassion toward the woman both in the way that he dealt with the hypocritical crowd that had brought her to him and in the way he spoke to her as he sent her on her way and told her Go and sin no more Dean Bailey **Wordbridge** Edward Pizzella,2015-09-26 This book is about a multitude of outstanding people places and events which over a period of years have profoundly impacted the author s very soul and inspired and motivated him to passionately recall and applaud them in poetic form It contains a vast collection of

lyrical poems which based upon the author s personal experiences are inspiring emotional humorous perceptive evocative and stimulating And many of them are accompanied by the author s candid comments revealing background details and the intriguing circumstances that inspired their creation They reflect his innermost hopes fantasies and whims his beliefs his joys his loves and his fears and like the myriad of pixels in his photo they combine to fabricate a third dimensional image of their creator This book is thus a reversal of the renowned adage that A picture is worth a thousand words **101 Treasurable Poems of Faith, Hope, and Love** Chad Joseph Thieman,2011 Review of Book The first time I ever read Chad s Christian poetry I was astounded It was illuminating and alive His poetry grabs onto you and sinks deep within capturing the very essence of the soul Understanding the simplicity of his poetry yet the depth of it on a spiritual level is fascinating This statement conveys only a shadow of him The heart of Chad Thieman can only be found in 101 Treasurable Poems of Faith Hope and Love Curtis Neil Curtis and I first met while working together at the Blockade Runner Beach Resort on Wrightsville Beach He came to me and told me that he had read some of my work He said that he would help me get published and ever since we have worked together Curtis is my investment partner and promotional manager Chad The book you are holding in your hands is a treasure chest of poetry proverbs and parables that can be used to reach many hearts Every poem has a Bible verse prescribed to it for further study and research on the topic discussed within the piece This book is a great tool which can be used in adult Bible studies youth groups church retreats as well as for personal meditation and reflection First Love Devotions Dr. T.E. Grainger,2017-12-12 First Love Devotions is written from the authors rich experience of over fifty years as a pastor and teacher One of the dangers a pastor faces is becoming mechanical and professional and losing the first love that motivated him to devote his life as a servant of God The best safeguard against that is maintaining a loving intimate daily fellowship with Jesus as you seek his guidance in understanding the scripture If you find your love for Jesus waning do a thorough job of repentance as you renew and cultivate this relationship Each first love devotion treats a passage of scripture and gives insight based on prayerful reflection as it relates to personal experience In addition to personal spiritual benefits the Christian worker will find a wealth of topics sermon prompts and illustrative materials that may be shared with others
