Holy Trinity: Holy People Thomas A. Noble,2013-02-19 Teaching on the sanctification of Christians using the difficult word perfection has been part of Christian spirituality through the centuries The Fathers spoke of it and Augustine particularly contributed his penetrating analysis of human motivation in terms of love

Medieval theologians such as Bernard and Thomas Aquinas developed the tradition and wrote of levels or degrees of perfection in love. However, the doctrine has not fared so well among Protestants. John Wesley was the one major Protestant leader who tried to blend this ancient tradition of Christian perfection with the Reformation proclamation of justification by grace through faith. This book seeks to develop Wesley's synthesis of patristic and Reformation theology in order to consider how Christian perfection can be expressed in a more nuanced way in today's culture. Noble examines what basis may be found for Wesley's understanding of sanctification in the central doctrines of the church, particularly the atonement, the doctrine of Christ, and the most comprehensive of all Christian doctrines, the doctrine of the Holy Trinity. What he sets out is a fully trinitarian theology of holiness.

Working with Words Stanley Hauerwas, 2011-02-16 The crucial challenge for theology is that when it is read, the reader thinks, "This is true." Recognizing claims that are true enables readers to identify an honest expression of life's complexities. The trick is to show that theological claims, the words that must be used to speak of God, are necessary if the theologian is to speak honestly of the complexities of life. The worst betrayal of the task of theology comes when the theologian fears that the words he or she must use are not necessary. This new collection of essays, lectures, and sermons by Stanley Hauerwas is focused on the central challenge, risk, and difficulty of this necessity: working with words about God. The task of theology is to help us do things with words. God is not a word peculiar to theology, but if God is a word to be properly used by Christians, the word must be disciplined by Christian practice. It should therefore not be surprising that like any word, we must learn how to say God.

My Church Is Not Dying Greg Garrett, 2015-03-01 The old way of being church is being replaced by something new and beautiful for those with the eyes, ears, heart, and soul to experience it. Prolific author Greg Garrett reminds Episcopalians of the many gifts that our tradition can offer a doubting and hurting world. He reveals a church that values intellect, beauty, diversity, and community and promotes thoughtful engagement with questions of faith, ethics, and community. This church espouses a generous orthodoxy, welcoming left and right, mystic and doubter. It values education, social justice, and engagement with literature and culture. And in opposition to the radical individualism espoused by most of American Protestantism, it offers the unique gift of a tradition shaped by English culture that believes the individual is a part of her or his community, not in opposition to it.

The Goldilocks God Guy Collins, 2022-08-22 *The Goldilocks God* Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism. Can Christianity be intellectually credible? Why do our past failures and breakages offer comfort and hope? How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties? Whether exploring mystic Hildegard von Bingen, strategic thinker Queen Elizabeth, or theologians Jean-Luc Marion and Sarah Coakley, readers venture into a Trinitarian Goldilocks zone of faith, hope, and love. Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error, promise and glory. Illuminating ancient Christian practice with cutting-edge philosophy and theology, he reveals the lifelong habits that are just right for encountering the mystery of God.
