

A man with dark hair, wearing a dark suit, is embracing a woman from behind. The woman has blonde hair and is wearing a gold, strapless, lace-trimmed dress with a red skirt. They are in a romantic pose, with the man's face close to the woman's neck. The background features a building with colorful, onion-shaped domes, characteristic of Russian architecture, under a dark sky.

A land-girl's love story Berta Ruck, 2025-04-24 In *A Land Girl's Love Story*, Berta Ruck crafts a poignant narrative set against the backdrop of World War I Britain, exploring themes of love and resilience amidst societal upheaval. The book employs a blend of romantic realism and emotive prose, effectively capturing the complexities of relationships affected by the war. Ruck's depiction of the land girls—women stepping into roles traditionally held by men—illuminates the shifting dynamics of gender during this era and provides a rich tapestry of character development intertwined with the demands of rural life. The Empire of Love Yum Razams, 2002-01-23 In a simple and compelling writing, the author recreates life in Ancient Egypt when the empire was at its peak. The plot interweaves the Temples' way of life with betrayals, power struggles, true love, good humor, and the wisdom of the Masters. Over the centuries, humanity has missed the true spirit of the Egyptian auto-deism concepts until the present time when our perception has grown to a new level of understanding. Now, in a fantastic journey, the author offers a view of Ancient Egypt, a melange of traditions overlaid with legend, folklore, religious ceremony, and natural beauty to meet the emerging need of the present Age of Aquarius. Through the pages of *The Empire of Love*, the reader will be confronted with different levels of being and parallel realities, experiencing a new dimension foreign to time and space. The plot takes place during the social revolution of the 60s when Karl, the main character, feels outcast among his own society and, searching for an answer to his growing longing, he leaves New York City in search of that truth that he knew was out there. After long hours of a lonely driving through the interstate highways, he reaches Arizona and, overcome by exhaustion, he decides to stop and rest for a while. Sitting on a high cliff close to the road, Karl falls asleep, and without any warning, he awakes on the high summit of the Amenti in ancient Egypt, 3,000 years back in time. Karl meets several characters that help to create a gradual awakening that adds more confusion to his

perception of reality A dual feeling of happiness and fear takes place with each incident that evokes subconscious memories that he could not identify Everything becomes familiar and foreign at the same time The dialogues in the first part of the novel are filled with intense emotion and the teachings of the temple Karl begins to forget the nostalgic feelings for his American way of life his beloved XX century fades in his memory and he becomes immersed in the new experience imposed on him by destiny With the help of the temples masters Karl is induced into a deep hypnotic trance and he relives a previous incarnation in ancient Egypt as Aum a young temple initiate During this incarnation Aum Karl becomes a master at the temple of Heliopolis The successive events will bring Karl to a full awakening when different aspects of the Egyptian philosophy are incorporated into the drama to conclude with the self awareness and realization of his mission among men

Making Love Paul Kelleher,2015-07-16 In Making Love Sentiment and Sexuality in Eighteenth Century British Literature Paul Kelleher revises the history of sexuality from the vantage point of the literary history of sentimentalism Kelleher demonstrates how eighteenth century British philosophers essayists and novelists fundamentally reconceived the relations among sentiment sexuality and moral virtue It is his contention that sentimental discourse both philosophical and literary posited heterosexual desire as the precondition of moral feeling and conduct The author further suggests that sentimental writers fashioned the ideal of conjugal love as an ideological antidote to the theories of self love and self interest found in the works of Thomas Hobbes and Bernard Mandeville Heterosexual desire and its culmination in conjugal love in other words were represented as the privileged means for an individual to transcend self love and to develop a moral sensibility attuned to the thoughts and feelings of others At the same time Kelleher suggests other pleasures and desires particularly those rooted in same sex eroticism were increasingly depicted as antithetical to conjugal love and thus were morally devalued and socially disenfranchised Kelleher s argument unfolds through close readings of a variety of texts including Shaftesbury s Characteristics of Men Manners Opinions Times Joseph Addison and Richard Steele s the Tatler and the Spectator Eliza Haywood s Love in Excess Samuel Richardson s Pamela and Henry Fielding s Tom Jones Although these texts embody diverse rhetorical strategies and thematic concerns he shows how they collectively reinforce an overarching

sentimental ideology on the one hand heterosexual desire and conjugal love become synonymous with sympathy benevolence and moral goodness while on the other hand same sex desire is pathologized as a selfish withdrawal from procreation domesticity sociability and ultimately humanity itself Physiology of Love and Other Writings Paolo Mantegazza,2008-02-16 Physician anthropologist travel writer novelist politician Paolo Mantegazza 1831 1910 was probably the most eclectic figure in late nineteenth century Italian culture A prolific writer Mantegazza can be seen as a forerunner of what has come to be known as cultural studies on account of his interdisciplinary approach his passionate blend of scientific and literary elements in his writings and his ability to transcend the boundaries between high and low culture Though extremely popular during his lifetime both in Italy and abroad Mantegazza s works have not been made available in a significant English language compilation This volume is a representative overview of Mantegazza s key works many of them translated into English for the first time In addition to the unabridged *Physiology of Love* 1873 a veritable best seller at the time of its initial publication this compilation features selections from Mantegazza s writings on medicine his travelogues his epistolary novel *One Day in Madeira* 1868 and his treatise on materialistic aesthetics Replete with an extensive and informative introduction by the editor *The Physiology of Love and Other Writings* also excerpts Mantegazza s works of science fiction memoir and social and cultural criticism As an anthology of the works of Paolo Mantegazza a writer of diverse topical orientations this volume is also an account of the circulation of ideas and cross fertilization of disciplines that defined a crucial period of Italian and European cultural life Lysette Sylvia Halliday,2015-01-11 An award winning author deftly evokes the era and the pain and lives of her three dimensional characters in a romance set during the French Revolution RT Book Reviews *Lysette the Marquise de Ferrance* is left penniless after her husband dies With nowhere else to turn and as Paris becomes increasingly dangerous she ventures across the turbulent French countryside to the safety of her brother s home But when she meets Andre Comte du Crillon her plans change She cares not that he s married Using her beauty as her weapon she sets out to seduce him Yet all the while there s another man in her midst a man of action and iron will waiting for the perfect time to take her for himself For it is in his arms that Lysette is destined to find the sanctuary and true love that she seeks *The Lawyer's Fortune.
