## Loves Sweet Fire:

Love's Sweet Fire Elaine Elliott, 1984-01-01      **Love's Rite** R. Vanita, 2005-10-20 This is the first book to examine the same sex weddings and same sex couple suicides reported in India over the last two decades Ruth Vanita examines these cases in the context of a wide variety of same sex unions from Fourteenth century narratives about co wives who miraculously produce a child together to Nineteenth century depictions of ritualized unions between women to marriages between gay men and lesbians arranged over the internet Examining the changing legal literary religious and social Indian and Euro American traditions within which same sex unions are embedded she brings a fresh perspective to the gay marriage debate suggesting that same sex marriage dwells not at the margins but at the heart of culture *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award      Treatise on the Love of God: Treatise on the Priesthood Saint John of Avila, 2014-10-24 I invite everyone to look to Saint John of Avila hoping that the word and the example of this outstanding pastor will enlighten all priests and those who look forward to the day of their priestly ordination With these words Pope Benedict XVI at the 2011 World Youth Day celebration in Madrid announced his intention to declare Saint John of Avila a Doctor of the Universal Church This small book is in some sense an answer to the Pope's desire to look to this great saint by introducing us to two of his most important treatises *On the Love of God* and *On the Priesthood* This present volume wants to bring this still unknown saint closer to the English speaking world thus helping the people of God especially their priests inflame their spiritual lives      Naming Thy Name Elaine Scarry, 2016-11-29 A fascinating case for the identity of Shakespeare's beautiful young man SHAKESPEARE'S SONNETS ARE indisputably the most enigmatic and enduring love poems written in English They also may be the most often argued over sequence of love poems in any language But what is it that continues to elude us While it is in part the spellbinding incantations the hide and seek of sound and meaning it is also the mystery of the noble youth to whom Shakespeare makes a promise the promise that the youth will survive in the breath and speech and minds of all those who read these sonnets How can such promises be fulfilled if no name is actually given Elaine Scarry asks This book is the answer *Naming Thy Name* lays bare William Shakespeare's devotion to a beloved whom he not only names but names repeatedly in the microtexture of the sonnets in their architecture and in their deep fabric immortalizing a love affair By naming his name Scarry enables us to hear clearly for the very first time a lover's call and the beloved's response Here over the course of many poems are two poets in conversation in love speaking and listening writing and writing back In a true work of alchemy Scarry one of America's most innovative and passionate thinkers brilliantly synthesizes textual analysis literary criticism and historiography in pursuit of the haunting call and recall of Shakespeare's verse and that of his now at last named beloved friend      *MLN.*, 1913      **Complete dramatic works and miscellaneous poems** William Shakespeare, 1823      **The Works of William Shakespeare: Love's labour's lost** William Shakespeare, 1893      *The Plays of William Shakespeare* William Shakespeare, 1813      *The Complete Works of William*

 into our fast paced age of moderncy and technology Perhaps two reasons 1 The human condition still demands we ask who  
 we are what we are and why we are and 2 space is limited in this form of writing requiring the poet reduce his thoughts into  
 a quick read format Puns pundits quotes poetry and prose capsule 90% of everything the human race believes to be

 1887 1962 is not only the greatest poet that California and indeed the American West has produced but a major poet of the  
 twentieth century who occupies a prominent place in the tradition of American prophetic poetry Jeffers consciously set  
 himself apart from the poetry of his generation by physical isolation at his home in Carmel by his unusual poetic form and by  
 his stance as an anti modernist Yet his work represents a profound and profoundly original artistic response to problems that  
 shaped modernist poetry and that still perplex poets today how to reconcile scientific and artistic discourses and modes of  
 vision how to connect present day experience to myths perceived as lying at the origins of human culture how to renew the  
 poetic language and how or whether to present art s claim to moral spiritual or epistemological seriousness within  
 representations of modern phenomena For Jeffers as for no other important modern American poet there has never been a  
 collected poems not even a truly representative selected poems the current *Selected Poetry* first published in 1938 contains  
 no work from the last three volumes published during Jeffers lifetime or from his posthumous volume Now for the first time  
 all of Jeffers completed poems both published and unpublished are presented in a single comprehensive and textually  
 authoritative edition The first three volumes of this four volume work will present chronologically all of Jeffers published  
 work from 1920 to 1963 The present volume consists of poems published between 1920 and 1928 and includes some of his  
 greatest and best known poems *Tamar Roan Stallion The Women at Point Sur and Cawdor* as well as a recently discovered  
 long poem *Home* There is also an Editorial Note and a General Introduction      Love's labour's lost William
