The Grown-Up's Guide to Teenage Humans Josh Shipp, 2017-09-19 Nautilus Gold Award Winner Parenting Family. A practical guide to understanding teens from bestselling author and global youth advocate Josh Shipp. In 2015, Harvard researchers found that every child who does well in the face of adversity has had at least one stable and committed relationship with a supportive adult. But Josh Shipp didn't need Harvard to know that. Once an at-risk foster kid, he was headed straight for trouble until he met the man who changed his life: Rodney, the foster parent who refused to quit on Shipp and got him to believe in himself. Now in *The Grown-Up's Guide to Teenage Humans*, Shipp shows all of us how to be that caring adult in a teenager's life. Stressing the need for compassion, trust, and encouragement, he breaks down the phases of a teenage human from sixth to twelfth grade, examining the changes, goals, and mentality of teenagers at each stage. Shipp offers revelatory stories that take us inside the teen brain and shares wisdom from top professionals and the most expert grown-ups. He also includes practice scripts that address tough issues including FORGIVENESS: What do I do when a teen has been really hurt by someone and it's not their fault? COMMUNICATION: How do I get a teen to talk to me? They just grunt. TRUST: My teen blew it. My trust is gone. Where do we go from here? BULLYING: Help! A teen or their friend is being harassed. DIFFICULT AND AWKWARD CONVERSATIONS: Drugs, Death, Sex. Oh my. Written in Shipp's playfully authoritative, no-nonsense voice, *The Grown-Up's Guide to Teenage Humans* tells his story and unpacks practical strategies that can make a difference. Ultimately, it's not about shortcuts or magic words; as Shipp reminds us, it's about investing in kids and giving them the love, time, and support they need to thrive. And that means every kid is one caring adult away from being a success story.
