of age saw the most beautiful face of his life Love First Sight recounts how the attraction felt by this young boy went on to grow into the deepest of feelings of love selflessness and dedication The boy knew from all his heart that he was in love with the girl and desired her throughout his school life But he couldn t tell her anything as he couldn t find ways to express his feelings He couldn t talk to her during the whole five years of their schooling together it s another thing that she was his classmate The love remained one sided at least the boy thought it to be so Love has the power to change How love brought in the most amazing and rewarding changes in his life to make it a positively better one to live is something you will love too So go on and enjoy what love can do to your life to your living to you Happy Living Happy Loving A Manual of the Etiquette of Love, Courtship and Marriage. McVeigh Miller,1883 **Choosing Stillness, Knowing Love** Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time
