

A man and a woman are shown from the chest up, sitting in the front seats of a car at night. The man, on the left, is wearing a dark blue t-shirt and is looking out the driver's side window. The woman, on the right, is wearing a red dress and is looking towards the camera with a slight smile. The background is dark and blurry, suggesting a city street at night. The overall lighting is warm, with a reddish-orange tint.

Passionate Impressions in Love's Reflection Cherie Leigh, 2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic I am not sure what instigated my sentimentality over love and romance but I have an affinity for all things that exhibit the beautiful qualities of passion The incredible holding power of love should not be taken for granted even as it can either profoundly entice or greatly elude The full effects of love's intensity move me with deep appreciation Some may say that I live in a fantasy world with my notions about romantic love but I don't let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love's painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us about its purpose as the most powerful force in existence Since the beginning of time as we know it it has lived and breathed its testimony serving to inspire This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me I have always enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps find release through my various

themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love s Reflection *When a Bear Loves a Woman* Lily Cahill,2016-08-11 One thought haunted him Grace refused to give her love to him just like fate promised in his vision all those years ago He was truly destined to be alone Bret Hart s life is in freefall He just quit his band the Wild Harts and walked out on his brothers without telling them where he was going Now he s rambling across Texas under an assumed name taking odd jobs and the occasional performing gig trying to avoid the painful truth that haunts him he has no fated mate When he meets Grace Lopez he thinks he s drawn to her because she s got a big heart and luscious curves until Grace tells him the truth she s a fellow shifter and their families are at war Grace Lopez has spent her whole life in a dusty Texas town trying to keep her family s dilapidated bar from collapsing completely She wanted to be a musician once but she lost any chance when her parents died leaving her in charge of her willful teenage brother When she meets sexy Bret Hart he stirs up the dreams she thought were dead and all the desires she tried so hard to kill She s been promised to the head of her wolf shifter clan but the only man she wants is a secret bear shifter and a secret rockstar Grace and Bret s families are battling for control of the shifter world and everyone wants them to choose a side But what if they chose each other instead Wild Harts Rockstar Shifters tells the saga of the four sexy Hart brothers as they make their mark in the music world while fighting to defend their shifter family These four brothers sometimes don t see eye to eye but they always have each other s backs And when they meet their fated mates there s nothing that can stop them from taking what s theirs If you like rockstar bad boys with a wild side you ll love this series *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *On Sibling Love, Queer Attachment and American Writing* Denis Flannery,2016-12-05 Sibling bonds both literal and figurative have had a crucial role in American writings of queer desire and identity In nuanced and original readings Denis Flannery demonstrates the centrality of fraternal and sororal love to queer strands of nineteenth and twentieth century texts from the elemental wildnesses of Moby Dick to David Fincher s postmodern cinema from the brutal and comic decorum of Henry James s major fiction to the elegiac memoir writing of Jamaica Kincaid Questions driving Flannery s exploration of sibling relations How do we characterize the relationship between sibling love queer possibility and the formal intensities of American writing Why do so many American texts rely on the presence of sibling love to articulate queer desire Why is brotherhood invoked as a positive value in announcements of United States national aspirations but used
