and marriage that will stand the test of time      **Loving Him Well** Gary Thomas, 2018-02-06 The bestselling author of *Sacred Marriage* offers hope to women who want to strengthen and transform their marriages into the profoundly deep relationships God intended. Women, you're not alone in your marriage. You never have been and you never will be. While it may not always feel like it, God wants you to have a relationally healthy, emotionally engaged, and spiritually mature husband. In *Loving Him Well*, previously titled *Sacred Influence*, Gary Thomas builds on concepts from his bestselling book *Sacred Marriage* to reveal the inner workings of a man's heart and mind. He delves into Scriptures that help women gain biblical insight to influence their husbands. Exploring the research of neuroscientists, trained counselors, and abuse victim advocates, Gary also interviews dozens of wives to find what has worked and what hasn't as they've sought to build the best marriage possible. With new stories and fresh illustrations to help wives understand love and influence their husbands, *Loving Him Well* offers encouragement, biblically based support, and practical applications for the transformation of your marriage, drawing you and your husband closer together the way God intended. Perfect for women in good marriages who want a great marriage, women who feel invisible or marginalized in their marriage, engaged or newly married women who want to start investing in their marriage from the start, you'll discover the influence you can gain and the peace of mind you can build when you go first to God for your worth, validation, protection, and provision, and then learn how to use that platform to help your husband draw closer to you and closer to God. *Loving Him Well* includes study questions at the end of each chapter and is also available in Spanish. *Am ndolo bien*      **50 Ways to Love Your Lover** Edinel Atienza, 2020-12-16 The eBook *50 Ways to Love your Lover and Vice Versa* is practically a guidebook on the many ways to love your lover. Winner of the CASEY Award for Best Baseball Book of the Year, National Sports Media Association Sports Book of the Year, An NPR Book of the Day. 1. New York Times bestselling author Joe Posnanski is back with a masterful ode to the game, a countdown of 50 of the most memorable moments in baseball's history to make you fall in love with the sport all over again. Posnanski writes of major moments that created legends and of forgotten moments almost lost to time: It's Willie Mays's catch, Babe Ruth's called shot, and Kirk Gibson's limping home run that steals the biggest bomb and the most triumphant no-hitters. But these are also moments raw with the humanity of the game: the unheralded heroes, the mesmerizing mistakes drenched in pine tar, and every story from the immortal to the

obscure is told from a unique perspective Whether of a real fan who witnessed it or the pitcher who gave up the home run the umpire the coach the opposing player these are fresh takes on moments so powerful they almost feel like myth Posnanski's previous book *The Baseball 100* portrayed the heroes and pioneers of the sport and now with his trademark wit encyclopedic knowledge and acute observations he gets at the real heart of the game From nineteenth century pitchers duels to breaking the sport's color line in the 40s all the way to the greatest trick play of the last decade and the slide home that became a meme Posnanski's illuminating take allows us to rediscover the sport we love and thought we knew *Why We Love Baseball* is an epic that ends too soon a one of a kind love letter to the sport that has us thrilled torn inspired and always wanting more

Selections from the Memorabilia of Swedenborg, Illustrative of His Doctrines and Disclosures. By George Bush Emanuel

Swedenborg,1848      *God Is Not For Sale* Osho,2024-05-04 Remember God is not for sale so there is no way to purchase Him You cannot do anything on your own that will be of any help to attain to God All that you can do is not to stand in the way not to resist that s all that man can do to be absolutely relaxed deeply non resistant And this is what to me is prayer a state of let go      **Men of Our Times; Or, Leading Patriots of the Day** Harriet Beecher Stowe,2019-12-06 In Men of Our Times Or Leading Patriots of the Day Harriet Beecher Stowe delves into the characteristics and societal influences of prominent American figures during her era illuminating their impact on politics culture and morality Written in Stowe s characteristic prose that blends vivid storytelling with incisive critique the work serves as both a historical document and an ardent call for social awareness amidst the turbulence of 19th century America It reflects the literary stylistic conventions of its time merging biography with social commentary in a way that engages the reader and challenges the prevailing narratives of male leadership Harriet Beecher Stowe a prominent abolitionist and author is best known for her groundbreaking novel Uncle Tom s Cabin which catapulted her to international fame and reinforced her commitment to social justice Her experience as an activist and educator combined with her deep engagement with the sociopolitical issues of her time profoundly influenced her perspective on the public figures delineated in this work Stowe s rich tapestry of characters reflects her belief in the possibility of a reformed society through the actions of virtuous leaders Stowe s insightful exploration of the masculine ideals shaping her era makes this book an essential read for those interested in American history political dynamics and the evolution of social thought Men of Our Times not only acts as a mirror reflecting the complexities of its time but also invites contemporary readers to ponder the role and responsibility of leadership in forging a just society      The Hen Marthus-Adden Zimboiant,2013-06-27 Indeed many men of knowledge have written more books about leadership using birds to relate to leadership Surprisingly almost these authors use eagle the king of birds as an example of a good leader That is to say they use the seven known important characteristics of eagle to claim that he is a good leader despising the other birds especially the hen Even no one has perhaps thought about the HEN female domestic fowl as being a good leader and for that matter she need to be studied more than any other bird However Marthus Adden Zimboiant does not agree that only eagle should be used as yardstick to measure a good leader He has perfectly studied the hen as leader using both the good and the bad side of the hen to reveal the behaviours of leaders especially in the churches today What I love on this book is that it tackles everything Every realistic situation on every ones life is revealed in this book After reading this book it will enlighten you about both good and bad leaders For example it will help you understand that something you thought it was right will actually prove the opposite This book is informative in a way that you will be able to review every bad thing you did which will help you make sure you are not going to do that again in the future In effect this book is a self guide about leadership      **Love, Adventure and Other Noble Quests (Thoughts Discovered: Volume One)** S Tarr,2016-02-17 Thoughts Discovered is a varied collection of the poetic writings of S Tarr released in five volumes
