purpose of God and his honor By repeating a good action man acquires a moral habit or a quality which enables him to do the good gladly and easily This is true however only of the intellectual and moral virtues which Aquinas treats after the manner of Aristotle the theological virtues are imparted by God to man as a disposition from which the acts here proceed while they strengthen they do not form it The disposition of evil is the opposite alternative An act becomes evil through deviation from the reason and from divine moral law

**Evangelizing the Depths** Simone Pacot, 2018-09-28 Many people don't know how to reconcile the spiritual with the reality of where they are psychologically so their psychological issues are not submitted to the spirit Thus followers of Christ are often living with shame oppression or even hatred It should not be this way The good news is that there is a way to wholeness Evangelizing the Depths calls us to listen closely to the Word of God as very practically Simone Pacot explains how the grace of the Triune God can restore us to life in every facet of our being even those that have been deeply wounded by events of the past As the entwining of the spiritual and psychological levels is explored this book will help establish us in the love and the truth of God As this happens it becomes possible to identify the paths of death that we have taken in the past and then leave them behind as we choose to follow Christ along the way of true life

**Choosing Stillness, Knowing Love** Christine Dixon, 2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time
