For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published
since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective
of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger
number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of
museums whose number has also increased dramatically and also of a lively international art market and the attendant
gallery activities The selections of the first edition have been reviewed errors have been corrected and important new
editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition
