Unbroken Spirit Lydia F. Guise, 2023-01-24 The woman in Revelation 12 is somewhat of a mystery because the Holy Bible only gives a snippet about the woman and a lot of folks have their own interpretation but I have a theory too I myself never gave the woman too much thought until 2012 because the Book of Revelation is hard to understand However God provided me with the tools clues and signs that I needed to help me understand the woman and her struggles I also believe when folks think about people of the Bible they don't think about someone in the here and now only in the past I too had that same mind frame until God allowed Jesus Christ to open my heart and show me the signs that opened my mind Here are a few things that were placed in my hands to help me understand These books called Warning Revelation Is About To Be Revealed Understanding the End of Times and Revelation Explained at Last I happen to believe that we are living in the times of the Book of Revelation because I just feel it in my spirit and the way we treat each other it's very unsettling I see our world is becoming like a volcano that's getting ready to erupt I feel that way because I see the lack of kindness compassion and empathy that we humans have for one another and it's getting worse every day In Matthew 24 15 it talks about the Great Tribulation It states Therefore when you see the abomination of desolation which means emptiness that's because our world is dying and it's coming to a close because humanity is dying and without humanity there's no life or world Also in Revelation 12 it spoke about the woman being persecuted and it has helped me to understand some strange and hurtful things That has happened to me by my family and others in my life so I do believe in the woman in Revelation 12 You can believe it or not
