## **Loyalty Defiled:**

**Loyalty Defiled** Alison Stuart, 1996      **Loyalty** Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids. God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ. God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers. Knowing the power of loyalty to produce Kingdom blessing at every level, Satan has done everything in his power to give this subject a bad reputation. But today's generation isn't buying it anymore. Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return. Get ready; this book could rock your world.

**The Dark Defile** Diana Preston, 2012-02-21 The consequences of crossing the Indus once to settle a government in Afghanistan will be a perennial march into that country. The Duke of Wellington, 1838: There is nothing more to be dreaded or guarded against in our endeavor to re-establish the Afghan monarchy than the overweening confidence with which Europeans are too often accustomed to regard the excellence of their own institutions and the anxiety that they display to introduce them in new and untried soils. Claude Wade, January 1839: Convinced in 1839 that Britain's invaluable empire in India was threatened by Russia, Persia, and Afghan tribes, the British government ordered its Army of the Indus into Afghanistan to oust from power the independent-minded king Dost Mohammed and install in Kabul the unpopular puppet ruler Shah Shuja. Expecting a quick campaign, the British found themselves trapped by unforeseen circumstances; eventually the tribes united and the seemingly omnipotent army was slaughtered in 1842 as it desperately retreated through the mountain passes from Kabul to Jalalabad. Only one man survived. Diana Preston vividly recounts the drama of this First Afghan War, the opening salvo in the strategic rivalry between Britain and Russia for supremacy in Central Asia. As insightful about geography as she is about political and military miscalculation, Preston draws on rarely documented letters and diaries to bring alive long lost characters: Lord Auckland, the weak British Governor General in India; his impetuous aide William McNaghten, the prescient adventurer; envoy Alexander Burnes, whose sage advice was steadfastly ignored. A model of compelling narrative history, *The First Afghan War* is

a cautionary tale that resonates loudly today      **Imperial loyalty 'as it ought to be'. Christian philosophic on a new plan. Blend and counterpoise, as remedial, for safety of the Empire** John Hutton O'Connor,1886      *Methods of the Way* Rune Svarverud,2021-11-01 In the second century B C the Chinese political philosopher Jia Yi allegedly composed his Daoshu *Methods of the way* In this work he describes the early development of terms for proper comportment and it would eventually turn out to be an important source for our knowledge of the early development of Chinese ethical thought The author of this new study Rune Svarverud defines a set of 112 key terms of early Chinese ethics in the text Daoshu The second part is devoted to an annotated translation of the Daoshu chapter followed by a detailed analysis of the development of these ethical terms In the first part the author deals with the textual authenticity and transmission This work is an important contribution to our understanding of the roles of ethics in early China      The Loyal Protestant, Or Reasons for Subscription and Obedience to the Laws and Government of the Church of England Both Ecclesiastical and Civil. To which is Added, the Office and Charge Belonging to the Overseers of the Poor w Wasse,1667      **Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life** Mathew A. Foust,2012-07-02 This work engages Royce s moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory
