ZaSu Pitts Charles Stumpf, 2010-04-13 Most often remembered for her gestures expressive eyes and body language on the screen ZaSu Pitts was an unusual actress and also an excellent cook she often gave homemade candies to her coworkers and her collection of candy recipes was published posthumously. This affectionate study of both her private life off screen and her public persona details how the multi talented actress become one of filmdom s favorite comediennes and character players The book includes many rare photographs The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as Sunnyside Up and Hallelujah to failures such as The Lottery Bride and Howdy Broadway this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs The Films of the Eighties Robert A. Nowlan, 1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries as well as smash hits and bombs memorable and boring performances and new trends and tried and true formula offerings The Film of the Eighties includes numerous examples of all of these Each entry has the year of release production company country of origin U S U K Australian Canadian leading performers and the characters they portrayed and comprehensive credits A brief description review and evaluation of the film s cinematic values if any are also provided You Are Beautiful and You Are Alone Jennifer Otter Bickerdike, 2021-08-10 A new definitive biography of the iconic and mysterious singer Warhol superstar Velvet Underground collaborator influential solo artist Nico YOU ARE BEAUTIFUL AND YOU ARE ALONE is a new biography of Nico the mysterious singer best known for her work with the Velvet Underground and her solo album Chelsea Girl Her life is tangled in myth much of it of her own invention Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance Over the course of her career Nico was an ever evolving myth art film house actress highly coveted fashion model Dietrich of Punk Femme Fatale Chelsea Girl Garbo of Goth The Last Bohemian Heroin Junkie Lester Bangs described her as a true enigma At age 27 Nico became Andy Warhol's newest Superstar featuring in his one commercial break out hit film Chelsea Girls and garnering the position of chanteuse for the Velvet Underground It wasn t Nico s musical chops which got her the gig it was her striking beauty Her seeming otherworldly and unattainable presence was further amplified by her reputation for dating rock stars Brian Jones Bob Dylan Jim Morrison among others She became

famous for being Nico Yet Nico's talent and her contribution to rock culture are often overlooked. She spent most of her career as a solo artist on the road determined to make music seemingly against all the odds enduring empty concert halls abusive fans and the often perilous reality of being an ageing artist and drug addict. She created mesmerizing and unique projects that inspired a generation of artists including Henry Rollins Morrissey Siousxie Sioux and the Banshees and Iggy Pop Drawing on the archives at the Andy Warhol Museum and at Nico's record labels various private collections and rarely seen footage and featuring exclusive new interviews from those who knew her best including Iggy Pop and Danny Fields and those inspired by her legacy YOU ARE BEAUTIFUL AND YOU ARE ALONE reveals the complicated often compromised self destructive and always head strong woman behind the one dimensional myths
