 worldbuilding winner of and nominee for more than fifty awards for his outstanding work Mike Resnick has rightfully won a
 place as one of science fiction s master storytellers Now in Kirinyaga Resnick presents the haunting and utterly compelling
 tale of one man s utopia By the twentieth second century in the African nation of Kenya polluted cities sprawl up the flanks of
 sacred Mount Kirinyaga Great animal herds are but distant memories European crops now grow on the sweeping savannas
 But Koriba a distinguished educated man of Kikuyu ancestry knows that life was different for his people centuries ago and he
 is determined to build a utopian colony not on earth but on the terraformed planetoid he proudly names Kirinyaga As the
 mundumugu witch doctor Koriba leads the colonists Reinstating the ancient customs and stringent laws of the Kikuyu people
 he alone decides their fate He must face many challenges to the struggling colony s survival from a brilliant young girl whose
 radiant intellect could threaten their traditional ways to the interference of Maintenance which holds the power to revoke the
 colony s charter All the while only Koriba unbeknownst to his people maintains the computer link to the rest of humanity
 Ironically the Kirinyaga experiment threatens to collapse not from violence or greed but from humankind s insatiable desire
 for knowledge The Kikuyu people can no more stand still in time than their planet can stop revolving around its sun Deeply
 moving swiftly paced and profound in its implications Kirinyaga is Mike Resnick s most triumphant work to date His Fable of
 Utopia is the book every science fiction reader will want to own and savor for years to come Ron Watt,2001-09-17 A

 Chidester,2018-11-01 An ambitious and courageous examination of the Jonestown cult viewed through the lens of theology

Journal of the American Academy of Religion Re issued in recognition of the 25th anniversary of the mass suicides at Jonestown this revised edition of David Chidester's groundbreaking book features a new prologue that considers the meaning of the tragedy for a post Waco post 9 11 world For Chidester the murder suicide of some 900 members of the Peoples Temple in Guyana recalls the American religious commitment to redemptive sacrifice which for Jim Jones meant saving his followers from the evils of capitalist society Jonestown is ancient history writes Chidester but it does provide us with an opportunity to reflect upon the strangeness of familiar promises of redemption through sacrifice His original conclusion that the Peoples Temple was a meaningful religious movement seems all the more prescient and astute today when fundamentalism has raised the troubling spectre of violence and suicide all over the world Book Chat William George Jordan, Adr Schade van Westrum, 1893
