Gontarek,2025-01-14 This is part of an intended seven book series about Yahweh in The Shifters Universe This book is titled Lucifer because this book follows Lucifer from before he was born until he gets his first job as an Archangel to completion Each book has a message behind each of them and this one is egotism This is not intended to be your traditional Bible story It is made for many religions together to pick up this story not just Christians This is meant to expand your mind on what God is or the gods are in a story form The initial write up was supposed to be a comic book but has changed to a novel I have clashed together some theories and many religions together to compile this story to make it fluid in the novel medium Many times the Bible has had many changes so things may not be exactly how they are in our popular Bibles
