George Walker is an unemployed astronomer oblivious to himself others and his environment living in his own ideas Slowly  
he acquires awareness He indulges his selfish wants at the expense of others With little understanding and little power he  
starts to change He can swim faster and heal faster He can become like animals in some ways He starts to believe that he is  
more than human but then he is humbled by those who are more practiced at violence He reads about the Archangel Lucifer  
and fantasizes that he might be a reincarnation He gleefully speaks and does evil things returning violence for violence  
However as he understands more of the Lucifer story he develops characteristics and emotions that do not seem to be evil  
Gradually he understands the suffering and joy of others and becomes more compassionate He questions whether he has  
reached the end of madness or merely a deeper evil the expression of the essential Lucifer He learns the value of humor the  
joy of living playing and dancing But he cannot stop being violent and he cannot ignore the effects of violence on things he
