Lucifers Hope The Guv:

Lucifer's Hope the Guv James L. Clark, 2002 Unlike humans Lucifer is ineligible for redemption and therefore doomed to eternal hell Playing on God's sense of fairness Lucifer appeals to the Archangel Michael for a chance to redeem himself by turning a person he corrupted into a paragon of virtue Against his own wishes Michael makes the deal However since moral perfection is impossible for anyone he decrees that Lucifer must attain redemption by seeing that his subject does not break nine of the Ten Commandments politically The agreement is struck and the target of Lucifer's effort will be the corrupt wealthy governor of Kentucky who is gearing up for reelection and is hopelessly paranoid about his opponents Besides engaging in the usual local corruption the Guv worms his way into a deal to bring riverboat gambling to the state Lucifer dispatches an imp disguised as a political consultant to infiltrate the campaign and influence the governor toward political righteousness The imp and the governor's spokeswoman share a romantic attraction which is also resolved in this rollicking metaphysical muckraking of Kentucky politics *December in May & Other Stories* James Clark, *POTHLES & Other Poems* James Clark, 2012-03-07 These poems fall into both categories poetry free verse but the vast preponderance incorporate rhythm and rhyme They are not sing song mostly deal with serious subjects and are designed to make a point or at least provoke thought the antithesis of purposeful obfuscation Some are blatantly spiritual patriotic or political with some of the latter applicable to a particular timeframe or personage s **HYMN THOUGHTS** James Clark, 2012-08-02 A collection of hymn texts accompanied by brief commentaries by the author composer **Democrat World 2008-10** James Clark, 2011 *GOMORRAH & Other Poems* James Clark, 2017-02-27 poems that deal with everyday life including the areas of culture religion morality government race creed and short vignettes of the routine events affected by same **AVENGED & Other Poems** James Clark, 2015-07-20 poems about the modern scene especially mores and terrorism **TWILIGHT & Other Poems** James Clark, 2013-08-07 This collection covers many subjects though the element of time might be considered its keystone a sort of sequel to earlier collections entitled HOURGLASS Other Poems POTHLES Other Poems and Time Alone Other Poems Twilight is just another time setting and can stand for a particular period in one's life or an institution or nation In the writer's view the nation besides suffering under poor governance currently is also suffering a psychological emergency with the government aiding and abetting if not causing a moral decline While sin is defined by God morals are determined by the individual so there's wild disagreement with that statement but to each his own and each is entitled to his own soapbox teleprompter pulpit or poetry collection Religion including religious practices or malpractices is also an important subject handled in this offering **GONE SECULAR & Other Poems** James Clark, 2014-08-21 poems having to do with everyday life experiences featuring rhyme and rhythm mostly rather than free verse *LONG-IN-TOOTH & Other Poems* James Clark, 2018-03-02 rhyme rhythm verses depicting everyday life and world affairs *REGULATOR & Other Stories* James Clark, 2015-08-27 Eleven short stories designed to cover all aspects of society especially government religion
