The Marriage Guest Konrad Bercovici, 1925 *The Rosy-Fingered Dawn Appeared* W. Devereux Jones, 2006-06 The story begins in the emergency room in Corinth Hospital in 1967 where a slightly wounded professor is brought in by a friend The local reporter tries to flesh out the story but his editor kills it and all that is clear is that there was some sort of duel It introduces the three main mail characters John Dobrov Turner Ashby DeLay and Charley Steinke Then there is a flashback to 1952 and the novel follows the stories of the three who are brought together on the Georgia campus in 1961 The second chapter is set on the campus of Golden State University in California where the main character in the story Evangeline Higginson has founded the Rosy Fingered Dawn Club a small group of Coeds who anticipate an enlargement of the career opportunities for women Hig is a beautiful woman but unlike most female leads she has a flinty character and her superior intelligence carefully analyzes all the situations she encounters She is also an electra and thus does not view the male sex with hostility She rescues and completely remakes a crippled football player as a kind of hobby to alleviate her boredom This leads to an unexpected marriage and she has to put her own career on hold until her husband is settled in his profession How

does a liberated woman maintain her identity in wedlock This is a continuing question during the 1960 s Her massive intelligence also grapples with an age old question what is this thing called love She believes that men marry for sex women for companionship and wonders if love is a myth devised by women to gild economic motives Not until the final chapter does she find answers to these two questions that satisfy her The football player she rescues remakes and marries is John Dobrov a man s man of Czech background from Youngstown Ohio He regards his wife with awe and is utterly dominated by her in all areas until he meets a colleague Turner Ashby DeLay who is equal to his wife in intelligence but has an entirely different reaction to contemporary developments the integration crises the women s movement and the Vietnam War Dobrov is a man with all the attitudes programmed into the male sex and his marriage becomes a crescendo of clashes with his wife A basic problem between them is one that is always overlooked in both novels and real life *Songwriters of the American Musical Theatre* Nathan Hurwitz,2016-09-01 From the favorites of Tin Pan Alley to today s international blockbusters the stylistic range required of a musical theatre performer is expansive Musical theatre roles require the ability to adapt to a panoply of characters and vocal styles By breaking down these styles and exploring the output of the great composers Songwriters of the American Musical Theatre offers singers and performers an essential guide to the modern musical Composers from Gilbert and Sullivan and Irving Berlin to Alain Boublil and Andrew Lloyd Webber are examined through a brief biography a stylistic overview and a comprehensive song list with notes on suitable voice types and further reading This volume runs the gamut of modern musical theatre from English light opera through the American Golden Age up to the mega musicals of the late Twentieth Century giving today s students and performers an indispensable survey of their craft **The Lucky Stiff** Craig Rice,1992-10-01 **Coderspeak** Guilherme Orlandini Heurich,2024-04-22 Software applications have taken over our lives We use and are used by software many times a day Nevertheless we know very little about the invisibly ubiquitous workers who write software Who are they and how do they perceive their own practice How does that shape the ways in which they collaborate to build the myriad of apps that we use every day Coderspeak provides a critical approach to the digital transformation of our world through an engaging and thoughtful analysis of the people who write software It is a focused and in depth look at one programming language and its community Ruby based on ethnographic research at a London company and conversations with members of the wider Ruby community in Europe the Americas and Japan This book shows that the place people write code the language they write it in and the stories shared by that community are crucial in questioning and unpacking what it means to be a coder Understanding this social group is essential if we are to grasp a future and a present in which computer programming increasingly dominates our lives Praise for Coderspeak Heurich perfectly captures the generous camaraderie quirky spirit and intellectual curiosity at the heart of the Ruby world Packed with tidbits of Ruby history code snippets and fascinating conversations this book has something to teach every Rubyist Jemma Issroff Ruby Core Team *Boy Loses Girl* Thomas S. **Apprentice** Ardie Stallard, In this fourth installment of the Switch series we find Felicia Culbertson Guthrie now a university graduate, a published author and a Licensed Associate Counselor under her Master's degree, faculty advisor. Her husband Joe and their friends have built her an office from which she offers professional counseling services to patients both online and in person. Plus she's the mother of an adorable young son. As if that is not enough she's also assumed the role of spanking therapist for those who feel the need for impact play in their lives but are too hesitant to engage the services of a professional Dominatrix. Can she safely and successfully balance all the hats she's now wearing: wife, mother and behavioral counselor in roles both submissive and Dominant for her husband and her clients? Among those clients is a thirty something female Memphis aristocrat who's come across the Mississippi to see her for tension release but has fallen into hot lust with her. Then there's a malevolent self proclaimed Dominant ready to take advantage of any naive submissive girl he can brainwash into following his lead. And of course there is her spouse who is increasingly uncertain of his own place in her

heart and her life mostly because of a young handsome student preacher with a spanking kink he's trying desperately to cope with. He wants Felicia to let him practice on her own bottom. Who knows how she'll manage it all. Or if she actually can. Whatever else you can say about Felicia, she's hardly boring. Just ask her husband.
