Some folks said who do you think you are to write your Autobiography Nobody will want to read it These folks thought just because I am an unknown person nobody will be interested in reading about my adventures Well I m of a different mind For a lot of people it will be very interesting to read about what they could only dream about having done or doing themselves I have cheated death on a number of occasions at sea and on land I have put down a mutiny The sailing ship I was Master of was declared missing in the North Atlantic for days in a snowstorm but I always brought my passengers and crew and ship back to a safe port I have tried and failed and succeeded in a lot of endeavors in my life but never alone always with a good woman beside me encouraging and praising me Eventually I found not only what I loved to do but what I became very good at and was very proud to do To the reader I want the book to convey this one message follow your dream and make it a reality No matter how difficult the road ahead may seem you will reach your goal and enjoy the rewards at the end     **The Bookseller and the Stationery Trades' Journal** ,1923     **The Bookseller** ,1923     The Miscellaneous Works of Tobias Smollett, M.D., with Memoirs of His Life and Writings, by Robert Anderson ...
