Robin Sterling,2017-03-22 The Leighton News was first established by Fred W McCormack in 1890 as a small 5x8 sheet It soon expanded to a traditional size but later suspended publication because the profit margin was too slim No issues from that time were available for review After a while McCormack kept a promise to the people of Leighton and renewed publication of the News in 1894 Each issue was examined column by column with a view for capturing items of a genealogical interest such as reports of births marriages deaths and obituaries In addition other clippings were transcribed having to do with the history of Colbert and Lawrence County as well as the rest of the surrounding Tennessee Valley area
