**Daniel J. Walkowitz**

## **Lucy Sprague Mitchell The Making Of A Modern Woman:**

**Lucy Sprague Mitchell** Joyce Antler,1987 A biography of the woman who made pioneering changes in the education of children fought to increase women s contributions to society and founded the Bank Street College of Education **The Grounding of Modern Feminism** Nancy F. Cott,1987-01-01 The time has come to define feminism it is no longer possible to ignore it The Century Magazine 1914 In this landmark addition to scholarship Nancy F Cott author of The Bonds of Womanhood offers a new interpretation of American feminism during the early decades of this century a period traditionally viewed as on in which women won the right to vote and then lost interest in feminist issues Cott argues instead that his period was a time of crisis and transition from the nineteenth century woman movement to the beginning of modern feminism Many of the issues that are central to women today says Cott were firmly articulated in the early decades of this century For example the problem of defining sexual equality so as to recognize sexual difference between men and women the ambiguous potential of a movement seeking individual freedoms for women by mobilizing sex solidarity and the tensions involved in attaining full expression in work and love are all enduring elements of feminism seized upon by women of the 1910s and 1920s First discussing how feminism was indebted to its predecessors Cott shows that increasing heterogeneity and diverse loyalties among women in the early twentieth century contradicted the premise of the nineteenth century cause of woman the singular noun symbolizing the unity of the female sex From this crisis emerged feminism championing individual variability and refuting the premise that a singular woman existed Cott focuses on the suffrage campaign milieu in which feminism arose giving particular attention to the character and role of the National Woman s Party from its militant suffrage days to its advocacy of the equal right amendment in the 1920s Against prevailing interpretations of the decline of women s political activities after 1920 Cott counterposes the swelling numbers in women s voluntary associations and their political efforts She also analyzes the pitfalls that awaited women who tried for effectiveness in the male dominated political parties She sets the controversy over the equal rights amendment in new context discussing the full dimensions of the conflict as not merely over personalities tactics or class loyalties but as a signal example of the modern problem of capturing sexual equality and sexual difference in law The book explores the irony strewn path of women who as aspiring professionals and political actors attempted to put into practice the feminist intent to replace the abstraction woman with instead the human sex This history the story of women who first claimed the name feminists builds an essential bridge between the presuffrage period and today **Learning from the Left** Julia L. Mickenberg,2005-11-10 At the height of the Cold War dozens of radical and progressive writers illustrators editors librarians booksellers and teachers cooperated to create and disseminate children s books that challenged the status quo Learning from the Left provides the first historic overview of their work Spanning from the 1920s when both children s book publishing and American Communism were becoming significant on the American scene to the late 1960s when youth who had been raised on many of the books in this study

unequivocally rejected the values of the Cold War Learning from the Left shows how radical values and ideas that have now become mainstream including cooperation interracial friendship critical thinking the dignity of labor feminism and the history of marginalized people were communicated to children in repressive times A range of popular and critically acclaimed children s books many by former teachers and others who had been blacklisted because of their political beliefs made commonplace the ideas that McCarthyism tended to call subversive These books about history science and contemporary social conditions as well as imaginative works science fiction and popular girls mystery series were readily available to children most could be found in public and school libraries and some could even be purchased in classrooms through book clubs that catered to educational audiences Drawing upon extensive interviews archival research and hundreds of children s books published from the 1920s through the 1970s Learning from the Left offers a history of the children s book in light of the history of the history of the Left and a new perspective on the links between the Old Left of the 1930s and the New Left of the 1960s Winner of the Grace Abbott Book Prize of the Society for the History of Children and Youth

**Stealing from the Mother** Jerry Aldridge,Lois McFadyen Christensen,2013-08-11 This book is the only available compilation of women in education and psychology whose work has been marginalized forgotten or attributed to their male colleagues This resource includes women from the progressive era 1900 1950 the psychological period 1950 2000 and the political period 2000 2010 Caucasian and African American scholars from the Northeast Southern and Midwestern states are highlighted Some of the chapters are shorter than others due to the limited literature concerning some of the women In addition chapters describing the elimination of gender inequity in early childhood education the marginalization of women in education under No Child Left Behind as well as discrimination of women in higher education are included The book concludes with the need to rethink teacher education to include the exceptional contributions of the women who are showcased in this book Finally this source is an attempt to eliminate gender inequity in teacher education and educational psychology by restoring the contributions of feminine scholars

**Spatial Citizenship Education** Euikyung E. Shin,Sarah Witham Bednarz,2018-09-21 Spatial Citizenship Education is an innovative exploration of ways to engage and promote citizenship through a deeper understanding of spatial and geographic perspectives The authors propose that recognizing the relationship between space and citizenry enables productive and positive engagement with important societal issues such as equity justice and environmental stewardship By providing a historical overview of geography s contribution to citizenship education including progress made and challenges faced by educational reform movements this collection shows how geography can contribute to a new type of citizen one with an enhanced understanding of the world as seen through the key concepts of geography space place scale power and human environment relationships Through a theoretical explanation of key citizenship ideas and by providing practical classroom based teaching tools this volume will be essential for geography education researchers and social studies educators alike

**Founding Mothers and Others** A. Sadovnik,S. Semel,2016-04-30 Interest in progressive

education and feminist pedagogy has gained a significant following in current educational reform circles *Founding Mothers and Others* examines the female founders of progressive schools and other female educational leaders in the early twentieth century and their schools or educational movements All of the women led remarkable lives and their legacies are embedded in education today The book examines the lessons to be learned from their work and their lives The book also analyzes whether their leadership styles support contemporary feminist theories of leadership that argue women administrators tend to be more inclusive democratic and caring than male administrators Through an examination of these women this book looks critically at the ways in which the leaders administrative styles and behaviors lend support to feminist claims

**Learning from Children** Mary E. Hauser, 2006 This is the first published biography of Caroline Pratt an innovative progressive educator who founded the City and Country School in Greenwich Village New York in 1914 It provides a feminist analysis of Pratt s life and work that adds a new dimension to our appreciation of her contributions to progressive education *Learning from Children* also shows how an analysis of Pratt s work can inform our understanding of current critical issues in educational policy and practice Caroline Pratt s story will enliven courses on history of education foundations of early childhood education and women s history topics

**Alternative Schools in British Columbia 1960-1975** Harley Rothstein, 2024-08-09 The tumultuous 1960s was an era of the counterculture political activism and resistance to authority Conventions and values were challenged and new approaches to education captured the imaginations of parents teachers and students Reacting against the one size fits all nature of the traditional public school system groups of parents and teachers in Canada and the United States established alternative schools or free schools based on the Progressive child centred philosophy of John Dewey and the Romantic ideas of Summerhill founder A S Neill In *Alternative Schools in British Columbia 1960-1975* Harley Rothstein tells the story of ten such schools that arose in the province of British Columbia Drawing on 350 self conducted interviews newspaper articles personal journals and school records Dr Rothstein invites readers to experience the early days of alternative schools He describes the educational philosophy curriculum and governance of these institutions and introduces readers to the people who were at the heart of alternative communities Tracing the evolution successes and challenges of each school he presents the day to day experience and brings to life the ethos of the 1960s era Historians educators and all curious readers will become immersed in this engaging account of a group of educational pioneers on Canada s west coast and how they inspired the liberalization of the public school system that would come in the 1970s

*The Handbook of Dewey's Educational Theory and Practice* Charles L. Lowery, Patrick M. Jenlink, 2019-08-05 In the last twenty five years there has been a great deal of scholarship about John Dewey s work as well as continued appraisal of his relevance for our time especially in his contributions to pragmatism and progressivism in teaching learning and school learning *The Handbook of Dewey s Educational Theory and Practice* provides a comprehensive accessible richly theoretical yet practical guide to the educational theories ideals and pragmatic implications of the work of

John Dewey America's preeminent philosopher of education Edited by a multidisciplinary team with a wide range of perspectives and experience this volume will serve as a state of the art reference to the hugely consequential implications of Dewey's work for education and schooling in the 21st century Organized around a series of concentric circles ranging from the purposes of education to appropriate policies principles of schooling at the organizational and administrative level and pedagogical practice in Deweyan classrooms the chapters will connect Dewey's theoretical ideas to their pragmatic implications

**Problem-posing with Multicultural Children's Literature** Elizabeth P. Quintero, 2004 Problem posing with Multicultural Children's Literature documents an ongoing qualitative study of early childhood teachers using a problem posing method with multicultural children's literature Grounded in critical theory the text has been written for use in upper division undergraduate and graduate level classes that study infants toddlers preschoolers kindergartners and students in grades one and two The book uses examples from both early childhood and elementary teacher education students and practicing teachers work as they study critical literacy multicultural children's literature and integrated early childhood curriculum This structure provides insights into guided research in child development cultural and linguistic contexts learning theory strategies for teaching young children family advocacy and all related aspects of early childhood teacher education as the learners move through the activities

**Pragmatism and Feminism** Charlene Haddock Seigfried, 1996-06-15 Though many pioneering feminists were deeply influenced by American pragmatism their contemporary followers have generally ignored that tradition because of its marginalization by a philosophical mainstream intent on neutral analyses devoid of subjectivity In this revealing work Charlene Haddock Seigfried effectively reunites two major social and philosophical movements arguing that pragmatism because of its focus on the emancipatory potential of everyday experiences offers feminism its most viable and powerful philosophical foundation With careful attention to their interwoven histories and contemporary concerns Pragmatism and Feminism effectively invigorates both traditions opening them to new interpretations and appropriations and asserting their timely philosophical relevance This foundational work in feminist theory simultaneously invites and guides future scholarship in an area of rapidly emerging significance

*Creating a Female Dominion in American Reform, 1890-1935* Robyn Muncy, 1994-04-28 In this book Muncy explains the continuity of white middle class American female reform activity between the Progressive era and the New Deal She argues that during the Progressive era female reformers built an interlocking set of organizations that attempted to control child welfare policy Within this policymaking body female progressives professionalized their values bureaucratized their methods and institutionalized their reforming networks To refer to the organizational structure embodying these processes the book develops the original concept of a female dominion in the otherwise male empire of policymaking At the head of this dominion stood the Children's Bureau in the federal Department of Labor Muncy investigates the development of the dominion and its particular characteristics such as its monopoly over child welfare and its commitment to public welfare and

shows how it was dependent on a peculiarly female professionalism By exploring that process this book illuminates the relationship between professionalization and reform the origins and meaning of Progressive reform and the role of gender in creating the American welfare state

**A New Moral Vision** Andrea L. Turpin, 2016-08-25 In *A New Moral Vision* Andrea L. Turpin explores how the entrance of women into U S colleges and universities shaped changing ideas about the moral and religious purposes of higher education in unexpected ways and in turn profoundly shaped American culture In the decades before the Civil War evangelical Protestantism provided the main impetus for opening the highest levels of American education to women Between the Civil War and World War I however shifting theological beliefs a growing cultural pluralism and a new emphasis on university research led educators to reevaluate how colleges should inculcate an ethical outlook in students just as the proportion of female collegians swelled In this environment Turpin argues educational leaders articulated a new moral vision for their institutions by positioning them within the new landscape of competing men s women s and coeducational colleges and universities In place of fostering evangelical conversion religiously liberal educators sought to foster in students a surprisingly more gendered ideal of character and service than had earlier evangelical educators Because of this moral reorientation the widespread entrance of women into higher education did not shift the social order in as egalitarian a direction as we might expect Instead college graduates who formed a disproportionate number of the leaders and reformers of the Progressive Era contributed to the creation of separate male and female cultures within Progressive Era public life and beyond Drawing on extensive archival research at ten trend setting men s women s and coeducational colleges and universities *A New Moral Vision* illuminates the historical intersection of gender ideals religious beliefs educational theories and social change in ways that offer insight into the nature and cultural consequences of the moral messages communicated by institutions of higher education today

Working with Class Daniel J. Walkowitz, 1999 Polls tell us that most Americans\_ whether they earn 20 000 or 200 000 a year\_ think of themselves as middle class As this phenomenon suggests middle class is a category whose definition is not necessarily self evident In this book historian Daniel

**Women Educators in the Progressive Era** A. Durst, 2010-07-19 In 1896 John Dewey established the Laboratory School at the University of Chicago an experimental school designed to test his ideas in the reality of classroom practice Through a collective portrait of four of the school s teachers *Women Educators in the Progressive Era* examines the struggles and satisfactions of teaching at this innovative school and situates the school community in the context of Progressive Era experimental impulses in Chicago and the nation This book reassesses the implications of Dewey s ideas for current efforts to improve schools as it explores how the Laboratory School teachers participated in inquiry designed to advance educational thought and practice

Social Science in the Crucible Mark C. Smith, 1994 The 1920s and 30s were key decades for the history of American social science The success of such quantitative disciplines as economics and psychology during World War I forced social scientists to reexamine their methods and practices and to consider recasting their field as a more

objective science separated from its historical foundation in social reform. The debate that ensued, fiercely conducted in books, articles, correspondence, and even presidential addresses, made its way into every aspect of social science thought of the period and is the subject of this book. Mark C. Smith first provides a historical overview of the controversy over the nature and future of the social sciences in early twentieth-century America and then, through a series of intellectual biographies, offers an intensive study of the work and lives of major figures who participated in this debate. Using an extensive range of materials from published sources to manuscript collections, Smith examines objectivists, economist Wesley Mitchell and political scientist Charles Merriam, and the more purposive thinkers, historian Charles Beard, sociologist Robert Lynd, and political scientist and neo-Freudian Harold Lasswell. He shows how the debate over objectivity and social purpose was central to their professional and personal lives as well as to an understanding of American social science between the two world wars. These biographies bring to vivid life a contentious moment in American intellectual history and reveal its significance in the shaping of social science in this country.

**Women and the Politics of Class** Johanna Brenner, 2000-09 Drawing on explorations of the labour movement and working class politics, Brenner provides a materialist approach to one of the most important issues of feminist theory today: ethnicity, the intersection of race, nationality, gender, sexuality, and class. Children Today, 1987

**Telling Women's Lives** Judy Long, 1999-05 For centuries, the great man format and masculine discourse of biography and autobiography have eclipsed women. If we accept this history, we remain ignorant of Lady Sarashina, a Japanese woman of the Heian period whose book survives from the 11th century. We overlook Margaret Cavendish and Dame Julian, two early English autobiographers. And we fail to consider sufficiently slave narratives, oral histories, or lesbian coming-out stories. *Telling Women's Lives* assesses existing traditions of autobiography and biography in search of a method capable of conveying the distinctive content of women's lives while retaining the tenor of feminine subjectivity. Drawing on feminist research methodologies of the past two decades as well as anthropology and sociology, Long paves the way for the formulation of an emergent feminist methodology for telling women's lives. This highly original study seeks to revise and recreate the genre so as to accommodate a feminine discourse, narrator, reader, and subject. The messiness of women's lives, the daily work and detail that men have programmatically excluded, acquires new meaning as Long develops here an innovative theory of sociobiography.

*Alice Freeman Palmer* Ruth Birgitta Anderson Bordin, Ruth Bordin, 1993 First biography of a prominent figure in women's higher education.

When somebody should go to the ebook stores, search opening by shop, shelf by shelf, it is in reality problematic. This is why we provide the books compilations in this website. It will no question ease you to see guide **Lucy Sprague Mitchell The Making Of A Modern Woman** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. ### **Lucy Sprague Mitchell The Making Of A Modern Woman Introduction**

Lucy Sprague Mitchell The Making Of A Modern Woman Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Lucy Sprague Mitchell The Making Of A Modern Woman Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Lucy Sprague Mitchell The Making Of A Modern Woman : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Lucy Sprague Mitchell The Making Of A Modern Woman : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Lucy Sprague Mitchell The Making Of A Modern Woman Offers a diverse range of free eBooks across various genres. Lucy Sprague Mitchell The Making Of A Modern Woman Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Lucy Sprague Mitchell The Making Of A Modern Woman Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Lucy Sprague Mitchell The Making Of A Modern Woman, especially related to Lucy Sprague Mitchell The Making Of A Modern Woman, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Lucy Sprague Mitchell The Making Of A Modern Woman, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Lucy Sprague Mitchell The Making Of A Modern Woman books or magazines might include. Look for these in online stores or libraries. Remember that while Lucy Sprague Mitchell The Making Of A Modern Woman, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Lucy Sprague Mitchell The Making Of A Modern Woman eBooks for free, including popular

titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lucy Sprague Mitchell The Making Of A Modern Woman full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lucy Sprague Mitchell The Making Of A Modern Woman eBooks, including some popular titles.

### FAQs About Lucy Sprague Mitchell The Making Of A Modern Woman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lucy Sprague Mitchell The Making Of A Modern Woman is one of the best book in our library for free trial. We provide copy of Lucy Sprague Mitchell The Making Of A Modern Woman in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lucy Sprague Mitchell The Making Of A Modern Woman. Where to download Lucy Sprague Mitchell The Making Of A Modern Woman online for free? Are you looking for Lucy Sprague Mitchell The Making Of A Modern Woman PDF? This is definitely going to save you time and cash in something you should think about.
