Mackintosh Furniture Michael Crow, 2017-12-04 Recreate Mackintosh's Signature Style Architect and designer Charles Rennie Mackintosh designed hundreds of pieces of furniture throughout his career Ranging in style from Arts Crafts to Art Nouveau to Modern his furniture occupies an interesting place in history and had tremendous influence on American and European furniture design Mackintosh Furniture Techniques Shop Drawings for 30 Designs is a guide to recreating Mackintosh's work The measured drawings in this book were painstakingly rendered using known dimensions from architectural drawings and those extrapolated from catalog and auction photos You'll find comprehensive views for each design and complete materials lists as well as historical notes and construction and finishing advice to help you through each build The book features Shop drawings for 30 Mackintosh furniture designs including chairs tables bookcases desks and many other forms 2 complete step by step projects a taboret and a nightstand showcasing some of Mackintosh's signature furniture details Historical and cultural insight into Mackintosh's impact on architecture and furniture design Practical advice on wood selection construction hardware sources and finishing techniques Helpful tools and techniques advice Often emulated Mackintosh's furniture remains popular after more than a century Now for the first time ever fans of his work will have access to drawings and details to help recreate some of his most enduring designs

Mackintosh Furniture Roger Billcliffe, 1984 In a career of only twenty five years Charles Rennie Mackintosh designed well over 300 pieces of furniture the majority in two relatively short periods 1897 1905 and 1916 1919 This book gives an unprecedented overview of Mackintosh's body of work and illustrates with over 400 photographs all of his major pieces as well as the interiors for which they were produced The range of works presented here is quite remarkable featuring not only the elongated chairs for which Mackintosh is most remembered but also tables bookcases beds bathroom fittings and even a pulpit and an organ The pieces here range stylistically from the more routine late Victorian pieces of his earliest period through the white painted Spook School furniture of 1901 03 to the geometrical severity of Mackintosh's work for W J Bassett Lowke in 1916 19 Mackintosh Furniture is a comprehensive look at a designer whose influence has only recently begun to fully realize itself and is a must for both students and aficionados of design

Charles Rennie Mackintosh: the Complete Furniture, Furniture Drawings & Interior Designs Roger Billcliffe, 1986 **Furniture** Judith Miller, 2005-09-19 Whether you want to identify date or evaluate your own pieces Furniture is the only comprehensive full color reference guide for you Judith Miller gives a global overview that spans the last 3 000 years of design guaranteed to turn any amateur into a furniture buff Furniture defines decorative motifs of key periods with over 3 500 photographs of every style and form This eBook also includes profiles of influential designers craftsmen and key movements

Charles Rennie Mackintosh Roger Billcliffe, Charles Rennie Mackintosh, 2009 The great Scottish architect Charles Rennie Mackintosh 1868 1928 has come to be seen as one of the most influential early modern designers Like Frank Lloyd Wright whom he rivals in popularity today Mackintosh viewed the design

of furniture and interiors as a vital part of his architectural work Today reproductions and objects based on his design ideas are wildly popular This is the fourth edition of the primary reference work on Mackintosh furniture and the first time it has been in print in more than twenty years Completely revised and redesigned with new information and many new color illustrations the book documents every surviving piece of Mackintosh furniture and every drawing as well as his interior designs including reconstructions of interiors that have been destroyed Arts & Crafts Homes and the Revival ,2009 Devoted to the Arts and Crafts Movement past and present this new magazine celebrates the revival of quality and craftsmanship Each issue is a portfolio of the best work in new construction restoration and interpretive design presented through intelligent writing and beautiful photographs Offering hundreds of contemporary resources it showcases the work not only of past masters but also of those whose livelihoods are made in creating well crafted homes and furnishings today The emphasis is on today s revival in architecture furniture and artisanry informed by international Arts Crafts and the early 20th century movement in America William Morris through the Bungalow era Includes historic houses essays and news design details how to articles gardens and landscape kitchens and baths Lots of expert advice and perspective for those building renovating or furnishing a home in the Arts Crafts spirit From the publisher of Old House Interiors magazine and the Design Center Sourcebook artsandcraftshomes.com Design History Hazel Conway,2006-08-21 Hazel Conway introduces the student new to the subject to different areas of design history and shows some of the ways in which it can be studied and some of its delights and difficulties No background knowledge of design history art or architecture is assumed **American Woodworker** ,1998-08 American Woodworker magazine A New Track Media publication has been the premier publication for woodworkers all across America for 25 years We are committed to providing woodworkers like you with the most accurate and up to date plans and information including new ideas product and tool reviews workshop tips and much much more Art Nouveau Gabriel P. Weisberg,Elizabeth K. Menon,2013-09-05 First published in 1998 Design reform in the fields of architecture and the decorative or applied arts became objectified through writings published during the period of 1885 to 1910 This investigation includes but is not limited to Art Nouveau in France and Belgium and the arts and crafts movement in England and the United States Even though the similar processes of creativity and shared goals of Art Nouveau and the arts and crafts movement have long been recognized attempts to explore their origins and their points of interrelation with the broader scope of art history have been largely unsuccessful until now Furniture Edward Thomas Joy,1972 Mackintosh's Masterwork Charles Rennie Mackintosh,2004 Of the many practitioners of art nouveau in Great Britain Charles Rennie Mackintosh 1868 1928 has outlasted them all His work bridged the more ornate style of the later nineteenth century and the forms of international modernism that followed Like Frank Lloyd Wright with whom he is frequently compared he is known for so thoroughly integrating art and decoration that the two became inseparable His work has been honored by a major exhibition at the Metropolitan Museum of Art and his designs have proliferated to such an

extent that they can be found reproduced in posters prints jewelry and even new buildings His most important project was the Glasgow School of Art which still functions as a highly prestigious art school This glorious building is visited each year by thousands of tourists from around the world Built over a dozen years beginning in 1897 the Glasgow School of Art is Mackintosh's greatest and most influential legacy This completely redesigned and heavily illustrated edition of Mackintosh's Masterwork has been greatly expanded and contains newly discovered material about both the early life of the architect and the formative years in which his plans for the School of Art were executed
