She is a shining example of a woman for whom giving up is simply not an option Families of the Heart Ann Campbell, 2022-11-11 In this innovative analysis of canonical British novels Campbell identifies a new literary device the surrogate family as a signal of cultural anxieties about young women's changing relationship to matrimony across the long eighteenth century By assembling chosen families rather than families of origin Campbell convincingly argues female protagonists in these works compensate for weak family ties explore the world and themselves prepare for idealized marriages or sidestep marriage altogether Tracing the evolution of this rich convention from the female characters in Defoe's and Richardson's fiction who are allowed some autonomy in choosing spouses to the more explicitly feminist work of Haywood and Burney in which connections between protagonists and their surrogate sisters and mothers can substitute for marriage itself this book makes an ambitious intervention by upending a traditional trope the model of the hierarchical family ultimately offering a new lens through which to regard these familiar works **The German Jew, Or, The Forest of Remival** William Harries Tilbury, 1833 *A Mother's Heart Moved the Hand of God* Tedd Galloway, 2020-12-31 The power of love can save a life One rainy night on the Zambian savannah a mother's heart moves the hand of God From a land laid waste by disease and drought emerges this incredible story of courage suffering and the ultimate triumph of the power of God's love This is the true story of an infant born in the bush of southern Zambia at the height of the worst drought in years That tiny life was awaiting the traditional burial lying on the chest of her mother who died during delivery For months the relentless claw of death would try to snatch another victim but God had a purpose for her life Through Tedd Galloway's eloquent and inspiring words you will learn that God's timing is perfect but not always understood that genuine Christian love is colorblind that love is costly and can be painful also that every life is precious to God and the cost of loving doesn't compare to the joy that comes Our world would be a different place if God's people saw each other through the eyes of the mother in this story Be inspired as you read about the body of Christ not just talking about loving each other but actually demonstrating it *Healing for Every Heart in Adoption* Betsy S. Qualls and Jodi Jackson Tucker an adoptee a birth mother and an adoptive mother reveal that adoption is rooted in both loss and redemptive victory And healing is needed by all in the adoption triad adoptees birth parents and adoptive parents to experience restoration and wholeness In these pages you'll find the practical teaching spiritual guidance and strategic prayers you need to transform your adoption journey including how to address the spiritual challenges created by adoption identify the path to healing for each person in the triad overcome loss grief shame hurt and more experience restoration and healing through the love of Jesus While the emotions of the adoption journey are complicated the compassionate approach in this book will help your heart heal as you place it safely in God's hands This book is at once personal testimony and practical guidance aching confession and breathtaking faith private prayer and invitation into prayerful fellowship JEDD AND RACHEL MEDEFIND
