swordswoman who often disguised herself as a man In *Mademoiselle de Maupin* we find a love triangle between Chevalier d Albert a young French Gentleman who struggles with finding a woman that meets his idealistic expectations Rosette whom he engages in an affair with to ease his boredom and the dashing young Theodore who is actually Maupin disguised as a man *Mademoiselle de Maupin* is an excellent example of the French historical romance which in its time was considered somewhat controversial for its sexually orientated themes by today s standards however it would be considered quite tame

Mademoiselle De Maupin Théophile Gautier, 2015-07-04 Excerpt from *Mademoiselle De Maupin* A Romance of Love and Passion You complain old friend of the rarity of my letters What would you have me tell you besides the fact that I am in good health and that I still have the same affection for you These are facts you know perfectly well and they are so natural to my own age and the fine qualities you possess that it seems almost ridiculous to make a miserable bit of paper travel a hundred miles to convey nothing more I have sought in vain for I have nothing worth telling my life is the most uninteresting in the world and nothing occurs to break its monotony To day introduces to tomorrow just as yesterday ushered in to day and without being so fatuous as to call myself a prophet I can safely predict in the morning all that will happen to me in the evening About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Of Love and Loss Tom McAlindon, 2022-02-24 A study of the poetry of Hardy Yeats and Larkin in relation to their shared preoccupation with time change and loss the most ancient and fertile theme in lyric and reflective verse known to earlier English poets as mutability Though the importance of the socio political and ideological context is in every case acknowledged the literary history context is viewed as primary hence the introductory survey of foundational Renaissance and Romantic poets with whose work Hardy Yeats and Larkin were thoroughly familiar Although a preoccupation with the subject of time and change in the work of these three poets is a critical commonplace no one has ever isolated it for special attention or used it to link them either together or with their historical predecessors This is an entirely new approach to their work The critical methodology employed is evidential and analytical rather than theoretical focussed throughout on the meaning and the mood of each poem and the distinctive individuality of each poet

Proust's Cup of Tea analyzes Proust's reading of various Victorian authors and shows how they contributed to *A la recherche du temps perdu* This book proves that British literature and art played a fundamental role in Proust's writing process by citing from the manuscript versions of his novel as well as from his correspondence essays and the lengthy critical apparatus accompanying his translations of Ruskin Eells reflects here on why Proust was attracted to Victorian culture and how he incorporated it into his novel The works of the British novelists he was most interested in Thomas Hardy and George Eliot address questions of gender which Proust develops in his own work He builds *Sodome et Gomorrhe I* the section of his novel focusing on homosexuality on a series of explicit citations and guarded allusions to Shakespeare Darwin Walter Scott Oscar Wilde and Robert Louis Stevenson Eells explores how Proust followed in the pioneering footsteps of those British writers who had ventured beyond the boundaries of conventional sexuality though he took pains to erase their traces in the definitive version of his work This study also highlights how Proust made his fictitious painter Elstir into a master of ambiguity by modeling his art on Turner the Pre Raphaelites and Whistler Eells shows that Proust drew on Victorian culture in his depiction of sexual ambiguity arguing that he confounded eroticism and aestheticism in the way he inextricably linked the man woman figure with British art and literature As Proust aestheticized male and female homosexuality using references to British art and letters Eells coins the term *Anglosexuality* to refer to his characters of the third sex She defines *Anglosexuality* as an intersexuality represented through intertextuality as an artistic sensitivity an aesthetic stance and a new way of seeing Proust's *Cup of Tea* thus demonstrates that Victorian culture and homoeroticism form one of the cornerstones of Proust's monumental work
