Mikhail S Gorbachev An Intimate Biography:

Mikhail S. Gorbachev Strobe Talbott, Donald Morrison, 1988 A biography detailing how Gorbachev rises through the ranks of the Communist Party and becomes the leader of the Soviet Union *Mikhail S. Gorbachev: An Intimate Biography* ,

Mikhail S. Gorbachev ,1988 **Mikhail S. Gorbachev** ,1988 **After Gorbachev** Stephen White,1993-09-23
Dramatic and confusing changes in what used to be the Soviet Union have transformed the world in which we live Communist rule has given way to multiparty politics a command economy is being painfully privatised almost every social and cultural value has been overturned and perestroika has now been swept away by the reforming policies of Boris Yeltsin In turn these policies are now challenged by a variety of conservative and nationalist forces This fourth edition of Stephen White s best selling introductory text has been revised throughout A new final chapter charts the first turbulent years of Yeltsin s troubled presidency and the background to his radical policies Clearly written but detailed and authoritative After Gorbachev like its predecessors will continue to provide an unrivalled guide to the processes of transition upheaval and collapse which now characterise Russia and the post Soviet republics The Gorbachev Factor Archie Brown,1997-08-07 To understand this singular man the reader can do no better than to turn to Archie Brown s astute and lucid book There have been several excellent works on Mr Gorbachev but none examines the subject as thoroughly as this volume a rich study as impressive in its sweep as in its details Abraham Brumberg New York Times Archie Brown s book is not only a richly researched easily readable biography of Gorbachev himself It should be studied at once in every diplomatic service worthy of the name starting with our own Foreign Office Michael Foot Evening Standard Archie Brown has mastered the material and met the people he writes with a historical perspective unavailable to authors of the instant biographies which appeared while Gorbachev was in power Rodric Braithwaite Financial Times Archie Brown s closely reasoned book makes a better case for Gorbachev s record as a reformer than Gorbachev s own memoirs the most thorough exposition of Gorbachev s domestic political record yet to appear Jack F Matlock Jr New York Review of Books This Oxford don for years one of the world s most talented Kremlinologists has already found the memoirs documents and interviews that allow him to provide a remarkably detailed and authoritative account of the key moments in Gorbachev s career Robert G Kaiser Washington Post It is hard to come away from this admirable book without an affection for Gorbachev s insistence on peaceful change his willingness to let Eastern Europe go and his determination to nurture a pluralist culture Nick Cohen Observer Brown s latest book is the product of many years of intensive research it proves to be the most detailed and revealing study of the man who revolutionised the USSR Excellent Good Book Guide **Gorbachev and Yeltsin as Leaders** George W. Breslauer,2002 Gorbachev and Yeltsin as Leaders also compares these men with Khrushchev and Brezhnev yielding new insight into the nature of Soviet and post Soviet politics and into the dynamics of transformational leadership more generally The book is an important contribution to the analysis and evaluation of political leadership It is well written and accessible to the

nonspecialist Jacket **The Rise of Russia and the Fall of the Soviet Empire** John B. Dunlop, 1995-04-23 This is the first work to set one of the great bloodless revolutions of the twentieth century in its proper historical context John Dunlop pays particular attention to Yeltsin's role in opposing the covert resurgence of Communist interests in post coup Russia and faces the possibility that new institutions may not survive long enough to sink roots in a traditionally undemocratic culture

From the Cold War to a New Era Don Oberdorfer, 1998-05-29 First published in 1991 as THE TURN this is the gripping narrative of the passage of the United States and the Soviet Union from the Cold War to a new era Now this widely praised book is available in a new updated paperback edition that brings the narrative up to the dramatic collapse of the Soviet Union Replete with historical personalities as riveting as a spy thriller this is an enthralling record of history in the making 34 photos **Russian Orthodoxy, Nationalism and the Soviet State during the Gorbachev Years, 1985-1991** Sophie Kotzer, 2020-01-22 This book examines how the Russian Orthodox Church developed during the period of Gorbachev's rule in the Soviet Union a period characterised by perestroika reform and glasnost openness It charts how official Soviet policy towards religion in general and the Russian Orthodox Church changed with the Church enjoying significantly improved status It also discusses however how the improved relations between the Moscow Patriarchate and the state and the Patriarchate's support for Soviet foreign policy goals its close alignment with Russian nationalism and its role as a guardian of the Soviet Union's borders were not seen in a positive light by dissidents and by many ordinary believers who were disappointed by the church's failure in respect of its social mission including education and charitable activities
