**Gareth B. Matthews, *The Child's Philosopher*** Maughn Rollins Gregory, Megan Jane Laverty, 2021-08-26 Winner of the 2022 Book Award of the Philosophy of Education Society of Australasia Gareth B Matthews

*The Child's Philosopher* brings together groundbreaking essays by renowned American philosopher Gareth B Matthews in three fields he helped to initiate: philosophy in children's literature, philosophy for children, and philosophy of childhood. In addition, contemporary scholars critically assess Matthews' pioneering efforts and his legacy. Gareth B Matthews (1929-2011) was a specialist in ancient and medieval philosophy who had conversations with young children, discovering that they delight in philosophical puzzlement and that their philosophical thinking often enriched his own understanding. Those conversations became the impetus for a substantial component of Matthews' scholarship, from which this book features essays spanning the length of his career. Contemporary contributors to the book critically evaluate Matthews' scholarship, showing where he broke new ground and identifying developments and debates in the fields he helped to initiate. They take up pressing challenges, including biased idealizations of childhood in children's literature, the tensions between teaching philosophy to and doing philosophy with young people, the merits of theorizing childhood without theorizing children, and how professional philosophy at once desires and resists a return to childhood. This second volume in the *Philosophy for Children Founders* series is an important resource for philosophers, educators, and anyone interested in children's philosophical thinking, developmental psychology, what it means to philosophize with children, the nature of childhood, and how children's literature goes philosophical. It will guide and inspire those who share Matthews' conviction that the impulse to philosophize begins in early childhood. Contributors, in addition to Gareth B Matthews: Stephanie Burdick, Shepherd Cristina Cammarano, Claire Cassidy, Stanley Cavell, Maughn Rollins Gregory, Jennifer Glaser, Walter Omar Kohan, Megan Jane Laverty, Jana Mohr Lone, Karin Murris, Peter Shea, Susan M Turner, Susannah Sheffer

***Outside In and the Inside Out*** Emmy Kastner, 2025-09-23 A thoughtful and whimsical picture book about Arnold Lobel, award-winning creator of *Frog and Toad*. Arnold Lobel was many things: a quiet observer, an avid reader, and the kind of man who kept a gorilla suit in his closet just in case. Above all else, Arnold was an artist and a storyteller. And he infused pieces of himself in the characters he created. This made sharing his books with the world scary, sometimes, but his stories would go on to inspire and delight readers and live on in their hearts for generations. A rare window into the life and work of Arnold Lobel, creator of the *Frog and Toad* series, *Outside In and the Inside Out* captures the iconic creator of some of the most beloved children's books of all time.
