More Than A Pastime An Oral History Of Baseball Fans:

More Than a Pastime William Freedman, 1998 Basing his claims on more than 130 in depth interviews with baseball fans from ages 10 to 80 the author arrives at some extraordinary conclusions about the prismatic richness of the fan s experience of baseball and its importance in his or her life The responses 40 of which are reproduced in this oral history suggest three major hypotheses that how the youthful fan regards the game is a resonant expression of his personality his family and social situation and his fundamental needs that baseball far more than a pastime or idle entertainment serves a number of extremely important emotional and developmental functions moral social aesthetic and psychological in the lives of its younger fans and that one of baseball s less frequently heralded virtues is its extraordinary richness its capacity to turn a different face to almost every fan and to satisfy that remarkably wide range of personalities backgrounds and needs What these interviews suggest and what the author s introductory sections argue is that to its most ardent young fans baseball is not only a source of great and lasting pleasure but an important socializing agent and a vital expression and determinant of character

Society of American Baseball Research ,2000-06-23 Where does that endless supply of facts figures statistics and trivia that braodcasters spout actually come from SABR takes the inside story of the development of baseball research its resources techniques and fascinating anecdotes by the folks who dig it up

Doing Oral History : A Practical Guide Donald A. Ritchie, 2003-08-07 Oral history is vital to our understanding of the cultures and experiences of the past Unlike written history oral history forever captures people s feelings expressions and nuances of language But what exactly is oral history How reliable is the information gathered by oral history And what does it take to become an oral historian Donald A Ritchie a leading expert in the field answers these questions and in particular explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians Doing Oral History has become one of the premier resources in the field of oral history It explores all aspects of oral history from starting an oral history project including funding staffing and equipment to conducting interviews publishing videotaping preserving materials teaching oral history and using oral history in museums and on the radio In this second edition the author has incorporated new trends and scholarship updated and expanded the bibliography and appendices and added a new focus on digital technology and the Internet Appendices include sample legal release forms and information on oral history organizations Doing Oral History is a definitive step by step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come Illustrated with examples from a wide range of fascinating projects this authoritative guide offers clear practical and detailed advice for students teachers researchers and amateur genealogists who wish to record the history of their own families and communities

The National Pastime: A Review of Baseball History Edited by John Thorn, 2014-12 Back in 1982 the Society for American Baseball Research was still young barely a decade past its founding and had grown to some 1600 members One of their number a defrocked English Lit guy poking around in journalism suggested to the board of directors that SABR and the world might benefit from a publication along the lines of American Heritage only about baseball Before long that member John Thorn found himself at the helm of the newly christened periodical The National Pastime A Review of Baseball History The very first issue included names we think of today as luminaries in the field of baseball history and analysis Harold Seymour Lawrence S Ritter Pete Palmer David Voigt Bob Broeg and more Over the years the significance of that flagship issue has only grown while the inventory has dwindled SABR is pleased to present a replica edition here with the addition of a new preface by John Thorn now the official historian of Major League Baseball This issue includes Nate Colbert's Unknown RBI Record by Bob Carroll Nineteenth Century Baseball Deserves Equal Time by Art Ahrens Dandy at Third Ray Dandridge by John B Holway How Fast Was Cool Papa Bell by Jim Bankes The Field of Play by David Sanders Ladies and Gentlemen Presenting Marty McHale by Lawrence S Ritter Remembrance of Summers Past by Bob Broeg The Merkle Blunder A Kaleidoscopic View by G H Fleming A Tale of Two Sluggers Roger Maris and Hack Wilson by Don Nelson Baseball's Misbegottens Expansion Era Managers by David Voigt The Early Years A Gallery by Mark Rucker and Lew Lipset The Egyptian and the Greyhounds by Lew Lipset All the Record Books Are Wrong by Frank J Williams Goose Goslin's Induction Day by Lawrence S Ritter The Great New York Team of 1927 and It Wasn't the Yankees by Fred Stein Modern Times A Portfolio by Stuart Leeds Books Before Baseball A Personal History by Harold Seymour Ph D Ballparks A Quiz by Bob Bluthardt Runs and Wins by Pete Palmer Baltimore the Eastern Shore and More by Al Kermisch David and Goliath Figures by Ted DiTullio Double Joe Dwyer A Life in the Bushes by Gerald Tomlinson *Baseball Fever* Peter

Morris,2003-03-03 This detailed history of early baseball in rural Michigan focuses on the evolution of America s pastime from child s game to organized sport and challenges the notion that baseball s development was strictly an East Coast phenomenon

The Cambridge Companion to Baseball Leonard Cassuto,Stephen Partridge,2011-02-21 Baseball is much more than a game As the American national pastime it has reflected the political and cultural concerns of US society for over 200 years and generates passions and loyalties unique in American society This Companion examines baseball in culture baseball as culture and the game s global identity Contributors contrast baseball s massive big business present with its romanticized origins and its evolution against the backdrop of American and world history The chapters cover topics such as baseball in the movies baseball and mass media and baseball in Japan and Latin America Between the chapters are vivid profiles of iconic characters including Babe Ruth Ichiro and Walter O Malley Crucial moments in baseball history are revisited ranging from the 1919 Black Sox gambling scandal to recent controversies over steroid use A unique book for fans and scholars alike this Companion explains the enduring importance of baseball in America and beyond

A Companion to American Sport History Steven A. Riess,2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH

A History of the Baseball Fan Fred Stein,2015-01-24 From the genesis of baseball in the 1840s when so called kranks cheered the teams of their choice fans have been an ever present component of the sport As the number of fans has increased over the years their influence has increased proportionally Following the evolution of the game and its fans over more than a century this book examines the role fans have played in the formation of modern baseball and the part the sport has played in the lives of its devotees How have fans influenced reacted to or been affected by baseball s changes through history How do fans determine player popularity Are there famous fans and how do they manifest that interest How has the evolution of baseball in the media including newspapers radio and television affected the fan base The answers to these questions and more give a lively feel to this baseball history from a fan s perspective The final chapter sums up the fan s importance to the sport of baseball

Legends Never Die Richard Ian Kimball,2017-04-28 With every touchdown home run and three pointer star athletes represent an American dream that only an elite group blessed with natural talent can achieve However Kimball concentrates on what happens once these modern warriors meet their untimely demise As athletes die legends rise in their place The premature deaths of celebrated players not only capture and immortalize their physical

superiority but also jolt their fans with an unanticipated intensity These athletes escape the inevitability of aging and decline of skill with only the prime of their youth left to be remembered But early mortality alone does not transform athletes into immortals The living ultimately gain the power to construct the legacies of their fallen heroes In *Legends Never Die* Kimball explores the public myths and representations that surround a wide range of athletes from Lou Gehrig and Joe DiMaggio to Dale Earnhardt and Bonnie McCarroll Kimball delves deeper than just the cultural significance of sports and its players he examines how each athlete's narrative is shaped by gender relations religion and politics in contemporary America In looking at how Americans react to the tragic deaths of sports heroes Kimball illuminates the important role sports play in US society and helps to explain why star athletes possess such cultural power **International Sport: A Bibliography, 1995-1999**

Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new **Baseball** Edward J. Rielly, 2005-01-01

Baseball An Encyclopedia of Popular Culture looks at American society through the prism of its favorite pastime discussing not only the game itself but a variety of topics with significance beyond the diamond Its 269 entries which vary in length from two hundred to twenty five hundred words explore the game's intersection with race gender art drug abuse entertainment business gambling movies and the shift from rural to urban society Filled with larger than life characters baseball legends sports facts and firsts important milestones and observations about daily life and popular culture this encyclopedia is not only an excellent reference source but also an enjoyable book to browse **Rounding the Bases** Joseph L. Price, 2006

After identifying early conflicts between churches and baseball in the late nineteenth century Price examines the appropriation of baseball by the House of David an early twentieth century millennial Protestant community in southern Michigan Turning then from historic intersections between baseball and religion two chapters focus on the ways that baseball reflects religious myths First the omphalos myth about the origin and ordering of the world is reflected in the rituals and rules of the game Then the myth of curses is explored in the culture of superstition that underlies the game At the heart of the book is a sustained argument about how baseball functions as an American civil religion affirming and sanctifying American identity especially during periods of national crises such as wars and terrorist attacks Building on this analysis of baseball as an America's civil religion two chapters draw upon novels by W P Kinsella and David James Duncan to explore the sacramental potential of baseball and to align baseball with apocalyptic possibilities The final chapter serves as a full confession

interpreting baseball affiliation stories as conversion narratives In various ways **What is Jewish about America'[s] "favorite Pastime"?** Marc Lee Raphael, Judith Z. Abrams, 2006 Sports Donald L. Deardorff, 2000-09-30 This guide to the available literature on sports in American culture during the last two decades of the 20th century is a companion to Jack Higgins Sports A Reference Guide Greenwood 1982 The types of individual or team sports included in this volume include those that are viewed as physical contests engaged in for physical emotional spiritual or psychological fulfillment With a focus on books alone chapters review the available literature regarding sports and each concludes with a bibliography Academic journals likely to contain articles on the topics discussed are listed at the end of each chapter Twelve chapters discuss sports and American history business and law education ethnicity and race gender literature philosophy and religion popular culture psychology science and technology sociology and world history This reference and guide to further research will appeal to scholars of popular culture and sports An index and two appendixes are included one listing important dates in American sports from 1980 through 2000 and one listing sports halls of fame museums periodicals and websites

American Book Publishing Record ,1998 **501 Baseball Books Fans Must Read Before They Die** Ron Kaplan, 2018-08-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they are missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be *The Porous Sanctuary* William Freedman, 2002 The Porous Sanctuary argues that the resistance to interpretation discovered by increasingly frequent deconstructive readings of Poe's short fictions can be interpreted psychologically rather than deconstructively The various strategies of obfuscation and evasion conscious or otherwise that permeate the texts serve to obscure intimidating realities typically associated with woman and the female body which the narratives glimpse and recoil from For Poe art was a sanctuary from such unpalatable realities but it was a porous one relentlessly invaded by what it was designed to exclude The tales self reflexive in this sense typically narrate the struggle between the autotelic insularity of the work of art and the assaults of a menacing reality upon its penetrable walls **The Greensboro Review** ,1998 *The Baseball Bibliography* Myron J. Smith, 2006 With over 57 000 entries this two volume set is the most comprehensive non electronic non database print bibliography on any American sport Represented here are books and monographs scholarly papers government documents doctoral dissertations masters theses poetry and fiction novels pro team yearbooks college and professional All Star Game and World Series programs commercially produced yearbooks and periodical and journal articles Provided by publisher

More Than A Pastime An Oral History Of Baseball Fans Introduction

In the digital age, access to information has become easier than ever before. The ability to download More Than A Pastime An Oral History Of Baseball Fans has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download More Than A Pastime An Oral History Of Baseball Fans has opened up a world of possibilities.

Downloading More Than A Pastime An Oral History Of Baseball Fans provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading More Than A Pastime An Oral History Of Baseball Fans has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download More Than A Pastime An Oral History Of Baseball Fans. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading More Than A Pastime An Oral History Of Baseball Fans. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading More Than A Pastime An Oral History Of Baseball Fans, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download More Than A Pastime An Oral History Of Baseball Fans has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About More Than A Pastime An Oral History Of Baseball Fans Books

1. Where can I buy More Than A Pastime An Oral History Of Baseball Fans books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
