## **More Than A Woman An Intimate Biography Of Bette Davis:**

**More Than a Woman** James Spada, 1994-09-01 A painstakingly researched biography offers new information about the star's turbulent life, her rocky marriages and affairs, and her troubled relationship with her daughter. By the author of *Peter Lawford: The Man Who Kept the Secrets*. Reissue.

**Bette Davis** Grace May Carter, 2017-06-15 In a career that spanned six decades, two Academy Awards and ten Oscar nominations, Bette Davis became one of the greatest screen legends of all time. But as her epitaph says, She did it the hard way. She was in constant battles with co-stars, directors, and studios, and struggled with addictions to alcohol and cigarettes. She had four stormy marriages, and even her three children brought pain and controversy. One wrote a scathing tell-all book, another had a severe mental disability, and a third was the subject of a prolonged custody battle. But in her iconic film roles, including *All About Eve* and *What Ever Happened to Baby Jane*, Davis transcended her troubles to leave an indelible mark on American cinema. Possessing none of the glamorous beauty of Greta Garbo, she had something more powerful and lasting: a restless, incandescent energy that made her mesmerizing to watch on the big screen. Here is Davis's story: her famous feud with Joan Crawford, skirmishes with Errol Flynn, affairs with Howard Hughes and William Wyler, and enough drama, confrontation, and heartache to fill several lifetimes. But she never regretted a single moment. Being hysterical is like having an orgasm. Davis once cracked, "It's good for you."

**Dark Victory** Ed Sikov, 2007-10-30 The legendary Hollywood star blazes a fiery trail in this enthralling portrait of a brilliant actress and the movies. Her talent elevated to greatness, she was magnificent and exasperating in equal measure. Jack Warner called her an explosive little broad with a sharp left. Humphrey Bogart once remarked, "Unless you're very big, she can knock you down." Bette Davis was a force of nature, an idiosyncratic talent who nevertheless defined the words "movie star" for more than half a century, and who created an extraordinary body of work filled with unforgettable performances. In *Dark Victory*, the noted film critic and biographer Ed Sikov paints the most detailed picture ever delivered of this intelligent, opinionated, and unusual woman who was, in the words of a close friend, one of the major events of the twentieth century. Drawing on new interviews with friends, directors, and admirers, as well as archival research, and a fresh look at the films, this stylish, intimate biography reveals Davis's personal as well as professional life in a way that is both revealing and sympathetic. With his wise and well-informed take on the production and accomplishments of such movie milestones as *Jezebel*, *All About Eve*, and *Now, Voyager*, as well as the turbulent life and complicated personality of the actress who made them, Sikov's *Dark Victory* brings to life the two-time Academy Award-winning actress's unmistakable screen style and shows the reader how Davis's art was her own dark victory.

**Box Set: Ingrid Bergman, Bette Davis, Katharine Hepburn, Elizabeth Taylor** Grace May Carter, 2018-10-12 Here from New York Times bestselling biographer Grace May Carter are the extraordinary lives of Ingrid Bergman, Bette Davis, Katharine Hepburn, and Elizabeth Taylor. Ingrid Bergman emerges as a devoted artist whose refusal to be a caricature caused her endless trouble, but also produced brilliant performances from her early role opposite Humphrey Bogart in

Casablanca to her profound and final appearance as Israeli Prime Minister Golda Meir In between there were four children including actress Isabella Rossellini three husbands and passionate affairs with war photographer Robert Capa Wizard of Oz director Victor Fleming and Spellbound co star Gregory Peck She was perhaps the most international star in the history of entertainment and without a doubt one of the most misunderstood In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on the big screen Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress and made classic films that still rank among the greatest of all time She also exerted a unique influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world So here is the full epic story of the patron saint of the independent American female as one critic described her Hepburn always lived life strictly on her own terms And oh what a life it was For a time Elizabeth Taylor was the world s biggest star but it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media facade Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson I ve always admitted that I m ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph

**All About "All About Eve"** Sam Staggs, 2024-05-01 From the original tale to the Broadway musical thoughtful film analysis and a thrilling final coup an interview with the real Eve People To millions of fans All About Eve represents all that s witty and wonderful in classic Hollywood movies Its old fashioned larger than life stars including Bette Davis Marilyn Monroe Anne Baxter George Sanders and Celeste Holm found their best roles in Eve and its sophisticated dialogue has entered the lexicon But there s much more to know about All About Eve Sam Staggs has written the definitive account of the making of this fascinating
