More Than Just A Game Sports In American Life Since 1945

Nick Shepley, Vivienne Sanders, Peter Clements, Robin Bunce

More Than Just A Game Sports In American Life Since 1945:

More Than Just a Game Kathryn Jay, 2006-04-18 Every aspect of the sporting world has exploded since 1945 In this book Jay takes a look at how sports has become a multibillion dollar industry as well as a major influence on and reflection of American society 25 illustrations

More Than Just a Game Kathryn Jay, 2004 Every aspect of the sporting world has exploded since 1945 In this book Jay takes a look at how sports has become a multibillion dollar industry as well as a major influence on and reflection of American society 25 illustrations

Bowled Over Michael Oriard, 2009 In this compellingly argued and deeply personal book respected sports historian Michael Oriard who was himself a former second team All American at Notre Dame explores a wide range of trends that have changed the face of big time college football and t

Sport and the Literary Imagination Jeffrey Hill, 2006 The development of sport in the twentieth century has been examined from a variety of angles Rarely though has the work of the creative writer been considered in detail This book directs its attention to this neglected area examining a selection of novels in which the subject of sport has featured prominently It highlights the ways in which novelists in the second half of the twentieth century have approached sport explained its place in society and through the sporting subject constructed a critique of the historical circumstances in which their narrative is set The study therefore seeks to complement the increasing body of work on the representation of sport through such media as film television and autobiography It also brings a fresh dimension to the use made by historians of literary sources suggesting that creative fiction can be far more valuable as historical evidence than has customarily been acknowledged

With Amusement for All LeRoy Ashby, 2006-05-12 *With Amusement for All* contextualizes what Americans have done for fun since 1830 showing the reciprocal nature of the relationships among social political economic and cultural forces and the ways in which the entertainment world has reflected changed or reinforced the values of American society

Cougars of Any Color Katherine Lopez, 2008-03-24 After years of playing sub par teams in weak athletic conferences the University of Houston athletic program sought to overcome its underdog reputation by integrating its football and basketball programs in 1964 Cougar coaches Bill Yeoman and Guy V Lewis knew the radical move would grant them access to a wealth of talented athletes untouched by segregated Southern programs and brought on several talented black athletes in the fall semester including Don Chaney Elvin Hayes and Warren McVea By 1968 the Cougars had transformed into an athletic powerhouse and revolutionized the nature of collegiate athletics in the South This book gives the Cougars athletes and coaches the recognition long denied them It outlines the athletic department s handling of the integration the experiences of the school s first black athletes and the impact that the University of Houston s integration had on other programs

A Companion to American Sport History Steven A. Riess, 2014-03-26 *A Companion to American Sport History* presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of

American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH

Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26 A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage

Sport in America, Volume II David K. Wiggins, 2009-11-11 Sport in America From Colonial Leisure to Celebrity Figures and Globalization Volume II presents 18 thought provoking essays focusing on the changes and patterns in American sport during six distinct eras over the past 400 years The selections are entirely different from those in the first volume discussing diverse topics such as views of sport in the Puritan society of colonial New England gender roles and the croquet craze of the 1800s and the Super Bowl s place in contemporary sport Each of the six parts includes an introduction to the essays allowing readers to relate them to the cultural changes and influences of the period Readers will find essays on well known topics written by established scholars as well as new approaches and views from recent studies Suitable for use as a stand alone or supplemental text in undergraduate and graduate sport history courses Sport in America provides students with opportunities to examine selected sport topics in more depth realize a greater understanding of sport throughout history and consider the interrelationships of sport and other societal institutions Essays are arranged chronologically from the early American period to the present day to provide the proper historical context and offer perspective on changes that have occurred in sport over time Also a list of suggested readings provided in each part offers readers the opportunity to expand their thinking on the nature of sport throughout American history Essays on how Pinehurst Golf Course was created the interconnection between sport and the World War I military experience and discussion of sport icons such as Joe Louis Walter Camp Jackie Robinson and Cal Ripken Jr allow readers to explore sport as a reflection of the changing values and norms of society Sport in America From Colonial Leisure to Celebrity Figures and Globalization Volume II provides students and scholars with perspectives regarding the role of sport

at particular moments in American history and gives them an appreciation for the complex intersections of sport with society and culture

Playing Tough Roger I. Abrams, 2013 *Playing Tough* is an entertaining and thoroughly enlightening look at the unique and surprisingly outsized role that sports have played in politics and history Ever since the bread and circuses of Rome sports have been used as a tool to entertain the masses and to instill civic pride Abrams shows both the positive and the negative ways in which sports and politics have coalesced from the rabid nationalism of the 1936 Nazi Olympics the political grudge match of the Louis and Schmeling fights and the futbol war between Honduras and Costa Rica to the inspiring stories of South Africa's rugby nation building and Muhammad Ali's brave antiwar stance which nearly cost him his career Abrams is an informed and impassioned writer who chronicles the profoundly creative and destructive influence that sports have on the political life of our nation and the world This book will be of interest to any and all sports and politics enthusiasts and is a wonderful introduction for course creation and adoption

Playing for God Annie Blazer, 2015-07-24 When sports ministry first emerged in the 1950s and 1960s its founders imagined male celebrity athletes as powerful salespeople who could deliver a message of Christian strength If athletes can endorse shaving cream razor blades and cigarettes surely they can endorse the Lord too reasoned Fellowship of Christian Athletes founder Don McClanen But combining evangelicalism and sport did much more than serve as an advertisement for religion it gave athletes the opportunity to think about the embodied experiences of sport as a way to experience intimate connection with the divine As sports ministry developed it focused on individual religious experiences and downplayed celebrity sales power opening the door for female Christian athletes to join and eventually dominate sports ministry Today women are the majority of participants in sports ministry in the United States In *Playing for God* Annie Blazer offers an exploration of the history and religious lives of Christian athletes showing that evangelical engagement with popular culture can carry unintended consequences When sport became an avenue for embodied worship it forced a reckoning with evangelical teachings about the body Female Christian athletes increasingly turned to their own bodies to understand their religious identity and in so doing came to question evangelical mainstays on gender and sexuality What was once a male dominated masculinist project of sports engagement became a female dominated movement that challenged evangelical ideas on femininity marriage hierarchy and the sinfulness of homosexuality Though evangelicalism has not changed sporting culture for those involved in sports ministry sport has changed evangelicalism

American National Pastimes - A History Mark Dyreson, Jaime Schultz, 2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging

essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport

Cold War Olympics Harry Blutstein,2021-12-17 The political tension of the Cold War bled into the Olympic Games when each side engaged in psychological warfare exploiting sport for political ends In Helsinki the Soviet Union nearly overtook the United States in the medal count Caught off guard the U S hastened to respond certain that the Soviets would use a victory at the next Olympics to broadcast their superiority over the Western world Following the 1956 suppression of the Hungarian uprising a Soviet athlete struck a Hungarian opponent in the Melbourne water polo semifinals turning the pool red The United States covertly encouraged Eastern Bloc athletes to defect communist Chinese agents nearly succeeded in goading the Taiwanese government into withdrawing from the games and a forbidden romance between an American and Czech athlete resulted in a politically complex marriage This history describes those stories and more that resulted from the complicated relationship between Cold War politics and the Olympics The Games That Changed Baseball John G.

Robertson,Andy Saunders,2016-06-21 The national pastime s rich history and vast cache of statistics have provided fans and researchers a gold mine of narrative and data since the late 19th century Many books have been written about Major League Baseball s most famous games This one takes a different approach focusing on MLB s most historically significant games Some will be familiar to baseball scholars such as the October afternoon in 1961 when Roger Maris eclipsed Babe Ruth s single season home run record or the compelling sixth game of the 1975 World Series Other fascinating games are less well known the day at the Polo Grounds in 1921 when a fan named Reuben Berman filed a lawsuit against the New York Giants winning fans the right to keep balls hit into the stands the first televised broadcast of an MLB game in 1939 opening night of the Houston Astrodome in 1965 when spectators no longer had to be taken out to the ballgame or the spectator less April 2015 Orioles White Sox game played in an empty stadium in the wake of the Baltimore riots Each game is listed in chronological order with detailed historical background and a box score

History+ for Edexcel A Level: Democracies in change: Britain and the USA in the twentieth century Nick Shepley,Vivienne Sanders,Peter Clements,Robin Bunce,2015-09-25 Exam Board Edexcel Level AS A level Subject History First Teaching September 2015 First Exam June 2016 Endorsed for Edexcel Enable your students to develop high level skills in their Edexcel A level History breadth and depth studies through expert narrative and extended reading including bespoke essays from leading academics Build a strong understanding of the period studied with authoritative well researched content written in an accessible and engaging style Ensure continual improvement in students essay writing interpretation and source analysis skills using practice

Dixieball Thomas Aiello,2024-01-12 In *Dixieball* Thomas Aiello considers the cultural function of professional basketball in the Deep South between 1947 and 1979 Making a strong case for the role of race in this process Aiello ties the South s initial animus toward basketball to the same complex that motivated the region to sacrifice its own economic interests to the cause of white supremacy Fans of basketball as compared to other team sports were closer to the players who showed more of their bodies blackness then had more visibility in basketball than it had in other sports By the time Lyndon Johnson signed the Voting Rights Act in 1965 African Americans made up 47.5 percent of professional basketball players and despite integrating later than baseball and football it was fast becoming known as a black sport Over time survival for southern teams grew more tenuous fan support more fickle and racial incidents between players and fans more hostile Racism clashed with civic development in a fast evolving region To identify the sources of this clash *Dixieball* locates the main points of intersection between professional basketball and the Deep South in the two decades prior to the region s first major franchise Aiello then takes readers to New Orleans where the first major Deep South professional basketball team the New Orleans Buccaneers was born and on to Atlanta Birmingham St Louis and others leading up to 1979 Scholars of sport and Southern history alike will find *Dixieball* a compelling contribution to the lively interdisciplinary discussions animating the Sport and Popular Culture series

Becoming Big League Bill (William) Mullins,2013-06-18 *Becoming Big League* is the story of Seattle s relationship with major league baseball from the 1962 World s Fair to the completion of the Kingdome in 1976 and beyond Bill Mullins focuses on the acquisition and loss after only one year of the Seattle Pilots and documents their on the field exploits in lively play by play sections The Pilots underfunded ownership led by Seattle s Dewey and Max Soriano and William Daley of Cleveland struggled to make the team a success They were savvy baseball men but they made mistakes and wrangled with the city By the end of the first season the team was in bankruptcy The Pilots were sold to a contingent from Milwaukee led by Bud Selig who moved the franchise to Wisconsin and rechristened the team the Brewers *Becoming Big League* describes the character of Seattle in the 1960s and 1970s explains how the operation of a major league baseball franchise fits into the life of a city charts Seattle s long history of fraught stadium politics and examines the business of baseball Watch the trailer <http://www.youtube.com/watch?v=7hwhl5sLoQs> list

UUge4MONgLFncQ1w1C_BnHcw index 1 feature plcp

Full Court Press Jason A. Peterson,2016-09-05 During the civil rights era Mississippi was caught in the hateful embrace of a white caste system that enforced segregation Rather than troubling the Closed Society state news media on the whole marched in lockstep or worse promoted the continued

subservience of blacks Surprisingly challenges from Mississippi's college basketball courts questioned segregation's validity and its gentleman's agreement that prevented college teams in the Magnolia State from playing against integrated foes Mississippi State University stood at the forefront of this battle for equality in the state with the school's successful college basketball program From 1959 through 1963 the Maroons won four Southeastern Conference basketball championships and created a dynasty in the South's preeminent college athletic conference However in all four title winning seasons the press feverishly debated the merits of a National Collegiate Athletic Association appearance for the Maroons culminating in Mississippi State University's participation in the integrated 1963 NCAA Championship Full Court Press examines news articles editorials and columns published in Mississippi's newspapers during the eight year existence of the gentleman's agreement that barred black participation the challenges posed by Mississippi State University and the subsequent integration of college basketball While the majority of reporters opposed any effort to integrate a segment of sports journalists led by the charismatic Jimmie McDowell of the Jackson State Times emerged as bold advocates for equality Full Court Press highlights an ideological metamorphosis within the press during the civil rights movement The media which had long minimized the struggle of blacks slowly transformed into an industry that considered the plight of black Mississippians on equal footing with whites

The 1984 Los Angeles Olympic Games Matthew Llewellyn, John Gleaves, Wayne Wilson, 2017-10-02 The 1984 Los Angeles Olympic Games stand as the most profitable and arguably the most important event in the history of the modern Olympic movement Fresh off the back of the financially disastrous Montreal Games of 1976 and the politically controversial Moscow Games of 1980 the Olympic movement returned to the United States for the sixth time in an attempt to salvage the economic viability and global prestige of the Olympics The Los Angeles Olympics proved to be both provocative and polarizing On the one hand they have been heralded as an overwhelming transformative success ushering the Olympic movement into the modern commercial age On the other hand critics have repudiated the Games as a manifestation of commercial excess and a platform for western political and cultural propaganda In conjunction with the 30th anniversary of the Los Angeles Olympics this volume examines their legacy With an international collection of contributing scholars this volume will span a range of global legacies including the increasing commercialization of the Games the changing participation of women the Communist boycott movement nationalism and sporting identity and the modernization and California cation of the Games This book was originally published as a special issue of the International Journal of the History of Sport

Diplomatic Games Heather L. Dichter, Andrew L. Johns, 2014-09-23 How events like the Olympics and World Cup have affected international relations A significant contribution to historical knowledge and understanding Peter J Beck author of *Scoring for Britain* International sporting events including the Olympic Games and the FIFA World Cup have experienced profound growth in popularity and significance since the mid twentieth century Sports often facilitate diplomacy revealing common interests across borders and uniting groups of people who are otherwise divided by history ethnicity or

politics In many countries popular athletes have become diplomatic envoys Sport is an arena in which international conflict and compromise find expression yet the impact of sports on foreign relations has not been widely studied by scholars In Diplomatic Games a team of international scholars examines how the nexus of sports and foreign relations has driven political and cultural change since 1945 demonstrating how governments have used athletic competition to maintain and strengthen alliances promote policies and increase national prestige The contributors investigate topics such as China's use of sports to oppose Western imperialism the ways in which sports helped bring an end to apartheid in South Africa and the impact of the United States 1980 Olympic boycott on US Soviet relations Bringing together innovative scholarship from around the globe this groundbreaking collection makes a compelling case for the use of sport as a lens through which to view international relations
