Carolee Schneemann

More Than Meat Joy:

More Than Meat Joy Carolee Schneemann, Bruce Rice McPherson, 1979 **More Than Meat Joy** Carolee Schneemann, 1979 **More Than Meat Joy** Carolee Schneemann, 1997 *More Than Meat Joy* Carolee Schneemann, 1979

Body Art/performing the Subject Amelia Jones, 1998 With great originality and scholarship Amelia Jones maps out an extraordinary history of body art over the last three decades and embeds it in the theoretical terrain of postmodernism The result is a wonderful and permissive space in which the viewer can wander Moira Roth Trefethen professor of art history Mills College *More Than Meat Joy* Carolee Schneemann, 1979 **Carolee Schneemann. More than meat Joy. Performance works and selected writings**, *The Concrete Body* Elise Archias, 2016-11-29 Offering an incisive rejoinder to traditional histories of modernism and postmodernism this original book examines the 1960s performance work of three New York artists who adapted modernist approaches to form for the medium of the human body Finding parallels between the tactility of a drip of paint and a body's reflexive movements Elise Archias argues convincingly that Yvonne Rainer b 1934 Carolee Schneemann b 1939 and Vito Acconci b 1940 forged a dialogue between modernist aesthetics and their own artistic community's embrace of all things ordinary through work that explored the abstraction born of the body's materiality Rainer's task like dances Schneemann's sensuous appropriations of popular entertainment and Acconci's behaviorist inflected tests highlight the body's unintended movements as vital reminders of embodied struggle amid the constraining structures in contemporary culture Archias also draws compelling comparisons between embodiment as performed in the work of these three artists and in the sit ins and other nonviolent protests of the era **Repositionings** Frederick Garber, 2010-11-01 In *Repositionings* Frederick Garber examines recent readings of the lyric in proposing that performance art and photography present alternatives to traditional lyrical modes **Carolee Schneemann** Lotte Johnson, Chris Bayley, 2022-09-13 Traces the feminist icon Carolee Schneemann's prolific six decade output spanning her remarkably diverse transgressive and interdisciplinary expression Carolee Schneemann 1939 2019 was one of the most experimental artists of the twentieth and early twenty first centuries This book traces six decades of the feminist icon's diverse transgressive and interdisciplinary expression through Schneemann's experimental early paintings sculptural assemblages and kinetic works rarely seen photographs of her radical performances her pioneering films and groundbreaking multi media installations Contributors shed new light on Schneemann's work which addressed urgent topics from sexual expression and the objectification of women to human suffering and the violence of war An artist who was concerned with the precarious lived experience of both humans and animals this book positions Schneemann as one of the most relevant provocative and inspiring artists in recent years Published in association with Barbican Art Gallery Exhibition Schedule Barbican Art Gallery London September 8 2022 January 8 2023 **"Science, Technology, and Utopias "** Christine Filippone, 2017-07-05 The rise of proxy wars the Space Race and cybernetics during the Cold War marked science

and technology as vital sites of social and political power Women artists historically excluded from these domains responded critically while simultaneously redeploying the products of Technological Society into works that promoted ideals of progress and alternative concepts of human community In this innovative book author Christine Filippone offers the first focused examination of the conceptual use of science and technology by women artists during and just after the women s movement She argues that artists Alice Aycock Agnes Denes Martha Rosler and Carolee Schneemann used science and technology to mount a critique on Cold War American society as they saw it conservative and constricting Motivated by the contemporary American Women s Movement these artists transformed science and technology into new modes of artmaking that transgressed modernist heroic painterly styles and subverted the traditional economic structures of the gallery the museum and the dealer At the same time the artists also embraced these domains of knowledge and practice as expressions of hope for a better future Many found inspiration in the scientific theory of open systems which investigated problems of wholeness dynamic interaction and organization enabling consideration of the porous boundaries between human bodies and their social political and nonhuman environments Filippone also establishes that the theory of open systems not only informed feminist art but also continued to influence women artists practice of reclamation and ecological art through the twenty first century

No More Masterpieces Lucy Bradnock,2021-01-01 This groundbreaking account of postwar American art traces the profound influence of Antonin Artaud Proposing an original reassessment of art from the 1950s to the 1970s No More Masterpieces reveals how artistic practice in postwar America was profoundly shaped by the work of the rebellious French poet and dramatist Antonin Artaud 1896 1948 A generation of artists mobilized Artaud s countercultural ideas to imagine new forms of representation and to redefine the relationship between artist and audience The book shows how Artaud s radical writings inspired the experimental theatrical work of John Cage Rachel Rosenthal and Allan Kaprow the attack on artistic and social conventions launched by assemblage artists Wallace Berman and Bruce Conner and the feminist work of Carolee Schneemann and Nancy Spero Lucy Bradnock traces the dissemination of Artaud s writings in America and demonstrates how his interest in political and cultural disorder the dangers of authority and the unreliability of representation found fertile ground in the context of the Cold War disillusionment with the ideals of Abstract Expressionism and the early years of identity politics

To Life! Linda Weintraub,2012-09-01 To Life Eco Art in Pursuit of a Sustainable Planet documents the burgeoning eco art movement from A to Z presenting a panorama of artistic responses to environmental concerns from Ant Farm s anti consumer antics in the 1970s to Marina Zurkow s 2007 animation that anticipates the havoc wreaked upon the planet by global warming This text is the first international survey of twentieth and twenty first century artists who are transforming the global challenges facing humanity and the Earth s diverse living systems Their pioneering explorations are situated at today s cultural scientific economic spiritual and ethical frontiers The text guides students of art design environmental studies and interdisciplinary studies to integrate environmental awareness

responsibility and activism into their professional and personal lives

The Channeled Image Erica Levin, 2022-11-23 A fascinating look at artistic experiments with televisual forms Following the integration of television into the fabric of American life in the 1950s experimental artists of the 1960s began to appropriate this novel medium toward new aesthetic and political ends As Erica Levin details in *The Channeled Image* groundbreaking artists like Carolee Schneemann Bruce Conner Stan VanDerBeek and Aldo Tambellini developed a new formal language that foregrounded television's mediation of a social order defined by the interests of the state capital and cultural elites The resulting works introduced immersive projection environments live screening events videographic distortion and televised happenings among other forms For Levin the channeled image names a constellation of practices that mimic simulate or disrupt the appearance of televised images This formal experimentation influenced new modes of installation which took shape as multi channel displays and mobile or split screen projections or in some cases experimental work produced for broadcast Above all this book asks how artistic experimentation with televisual forms was shaped by events that challenged television broadcasters' claims to authority events that set the stage for struggles over how access to the airwaves would be negotiated in the future

Cutting Performances James M. Harding, 2012-06-26 A thoughtful and engaging contribution to the field that will have a sustained and lasting impact on the way feminist performance is defined and understood as well as on how feminist histories and historiographies continue to challenge and transform the larger field of performance Charlotte Canning The University of Texas at Austin Harding forcefully challenges and destabilizes the male centered Eurocentric genealogy of the avant garde which he claims is an uncontested linear positivistic history unproblematicized by theory Then he argues that this gendered biased version of the European avant garde is carried over into American historiography A forceful case for a revisionist history Daniel Gerould The City University of New York Graduate Center *Cutting Performances* challenges four decades worth of scholarship on the American avant garde by offering a provocative reconceptualization of the history of avant garde performance along feminist lines Focusing on five women artists Elsa von Freytag Loringhoven Gertrude Stein Yoko Ono Carolee Schneemann and Valerie Solanas whose performance aesthetics made prominent use of collage techniques James M Harding sheds light on the cultural history of the avant garde and the role that experimental women artists played in that history He investigates the prominent position that collage technique occupied within the artists' performance aesthetic and the decisively feminist inflection that their work gives to collage as a mode of avant garde expression The radical juxtapositions in their works produce the powerful effects of making the familiar strange and establishing contexts from which new understandings may emerge Harding examines the performative dimensions of collage in experimental feminist redefinitions of the literary graphic and theatrical arts filling a void in a scholarly discourse that while ostensibly about the vanguard has lagged well behind other significant theoretical and historiographical currents *Cutting Performances* not only challenges assumptions that have governed scholarship on the American avant garde but also establishes a context to rethink

the history of American avant garde performance along feminist lines It will appeal to audiences interested in theater history and performance studies as well as those interested in the cultural history of the avant garde and the role that feminist experimental artists have played in it James M Harding is Professor of English at the University of Mary Washington His other books include Not the Other Avant Garde Transnational Foundations of Avant Garde Performance with John Rouse Restaging the Sixties Radical Theaters and Their Legacies with Cindy Rosenthal and Contours of the Theatrical Avant Garde Performance and Textuality Illustration Carolee Schneemann in Eye Body 36 Transformative Actions 1963 Action for camera Photograph by Err Reproduced by permission of Carolee Schneemann *Dematerialization and the Social Materiality of Art* Elize Mazadiego, 2021-03-22 Award winner Best Book in Latin American Visual Culture Studies from the Latin American Studies Association *Dematerialization and the Social Materiality of Art* reconceptualizes mid twentieth century avant garde practices in Argentina with a focus on the changing material status of the art object in relation to the country's intense period of modernization Elize Mazadiego presents Oscar Masotta's notion of dematerialization as a concept for interpreting experimental art practices that negated the object's primacy while identifying their promise within the sociopolitical transformations of the 1950s and 1960s She argues that in abandoning the traditional art object the avant garde developed new materialities rooted in Buenos Aires changing social life A critical examination of art's materiality and its social role within Argentina this important study paves the way for broader investigations of postwar Latin American art

Experimentations Branden Wayne Joseph, 2016-08-11 The first detailed exploration of avant garde composer John Cage's interactions with art and architecture as a means of understanding the aesthetic and political stakes of his career

Happenings and Other Acts Mariellen Sandford, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company *Out of Paper* Katie Anania, 2024-06-11 A dynamic look at how artists used paper to radically redefine the relationship between the body and its surroundings and to propose new conceptions of ecology From sketches created inside pants pockets to paper strewn performances that took cues from protests and riots the work on paper in the 1960s acted as a mobile flexible connective tissue between the body and the world around it In this book Katie Anania reveals how artists Carolee Schneemann William Anastasi Richard Tuttle Robert Morris and Charles White harnessed this historically intimate medium during a period in which Americans were becoming urgently concerned with identity consumer culture the overreach of state power and the rapidly deteriorating natural world Her reexamination of drawing shows how the omnipresence of paper facilitated artists critiques of dominant systems from modern throwaway culture to bureaucracy to colonial violence Engaging a wide range of actions such as recycling recording cutting planning and erasing Anania offers fresh insights into paper's role not merely as a preparatory medium but one essential to the histories of performance minimalist conceptual and land art *Out of Paper* uses materiality studies social history and feminist art historical methods to situate paper as a major conduit for thought in the postwar United States **"American Women Artists, 1935-1970 "**

Helen Langa, 2017-07-05 Numerous American women artists built successful professional careers in the mid twentieth century while confronting challenging cultural transitions shifts in stylistic avant gardism harsh political transformations and changing gender expectations for both women and men These social and political upheavals provoked complex intellectual and aesthetic tensions Critical discourses about style and expressive value were also renegotiated while still privileging masculinist concepts of aesthetic authenticity In these contexts women artists developed their careers by adopting innovative approaches to contemporary subjects techniques and media However while a few women working during these decades have gained significant recognition many others are still consigned to historical obscurity The essays in this volume take varied approaches to revising this historical silence Two focus on evidence of gender biases in several exhibitions and contemporary critical writings the rest discuss individual artists complex relationships to mainstream developments with attention to gender and political biases cultural innovations and the influence of racial ethnic diversity Several also explore new interpretative directions to open alternative possibilities for evaluating women s aesthetic and formal choices Through its complex nuanced approach to issues of gender and female agency this volume offers valuable and exciting new scholarship in twentieth century American art history and feminist studies

More Than Meat Joy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading More Than Meat Joy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading More Than Meat Joy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading More Than Meat Joy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading More Than Meat Joy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading More Than Meat Joy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About More Than Meat Joy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
