Rare Birds Elizabeth Gehrman, 2015-07-14 The inspiring story of David Wingate a living legend among birders who brought the Bermuda petrel back from presumed extinction Rare Birds is a tale of obsession of hope of fighting for redemption against incredible odds It is the story of how Bermuda s David Wingate changed the world or at least a little slice of it despite the many voices telling him he was crazy to try This tiny island in the middle of the North Atlantic was once the breeding ground for millions of Bermuda petrels Also known as cahows the graceful and acrobatic birds fly almost nonstop most of their lives drinking seawater and sleeping on the wing But shortly after humans arrived here more than three centuries ago the cahows had vanished eaten into extinction by the country s first settlers Then in the early 1900s tantalizing hints of the cahows continued existence began to emerge In 1951 an American ornithologist and a Bermudian naturalist mounted a last ditch effort to find the birds that had come to seem little more than a legend bringing a teenage Wingate already a noted birder along for the ride When the stunned scientists pulled a blinking docile cahow from deep within a rocky cliffside it made headlines around the world and told Wingate what he was put on this earth to do Starting with just seven nesting pairs of the birds Wingate would devote his life to giving the cahows the chance they needed in their centuries long struggle for survival battling hurricanes invasive species DDT the American military and personal tragedy along the way It took six decades of obsessive dedication but the cahow still among the rarest of seabirds has reached the hundred pair mark and continues its nail biting climb to repopulation And Wingate has seen his dream fulfilled as the birds returned to Nonsuch an island habitat he hand restored for them plant by plant in anticipation of this day His passion for resuscitating this Lazarus species has made him an icon among birders and his story is an inspiring celebration of the resilience of nature the

power of persistence and the value of going your own way Riding the Wind and Other Tales James Hoggard,1997 This collection of tales represents James Hoggard s nearly thirty year contribution to Texas literature Fleet Air Arm Boys Steve Bond,2022-09-08 Helicopters have been going to sea with the Royal Navy s Fleet Air Arm for over 70 years Initially used for search and rescue SAR duties from aircraft carriers the rapid development of both the helicopters and service experience resulted in them taking on the vital anti submarine and later anti ship attack roles The 1956 Suez campaign saw the first operational use of Whirlwind helicopters for the insertion of troops by air into a battle zone a capability which was expanded with more helicopters such as the Wessex Sea King and today s Merlin Through their vital role in the 1960s Indonesian Confrontation the Commando helicopter force became universally referred to as the Junglies It is often said that if either of the 1982 Task Force aircraft carriers had been lost the Falklands War could not have been won The same would surely have been true without helicopters Their vital tasks including inserting Special Forces behind enemy lines protecting the Task Force from Exocet missile attack and recovering wounded troops whilst under enemy fire are rightly hailed as being instrumental At home the essential SAR effort by both the Royal Navy and their RAF counterparts has resulted in incredible stories of saving lives against the odds Royal Navy destroyers and frigates have also long since benefitted from having their own helicopter Flight aboard Frequently operating in extremes of weather flying a Wasp Lynx or today s Wildcat from and back to a heaving deck is every bit as risky as flying fixed wing aircraft off the carriers of old Once dismissed as a novelty the helicopter has more than proved itself Indeed for ten years until the arrival of the Queen Elizabeth class aircraft carriers the Fleet Air Arm s operational force was entirely rotary wing Today s Merlins and Wildcats with their dedicated aircrew maintenance and support staff continue to demonstrate just how vital an asset the helicopter has become Here are the words of the men and women themselves skillfully brought to life by Steve Bond and profusely illustrated in color and b w

Speak the Speech! Rhona Silverbush,Sami Plotkin,2025-06-25 The most comprehensive sourcebook of Shakespeare s monologues ever available in one volume A detailed guide to approaching Shakespearean text Speak the Speech contains everything an actor needs to select and prepare a Shakespeare monologue for classwork auditions or performance Included herein are over 150 monologues Each one is placed in context with a brief introduction is carefully punctuated in the manner that best illustrates its meaning and is painstakingly and thoroughly annotated Each is also accompanied by commentary that will spark the actor s imagination by exploring how the interrelationship of meter and the choice of words and sounds yields clues to character and performance And throughout the book sidebars relate historical topical technical and other useful and entertaining information relevant to the text In addition the authors include an overview of poetic and rhetorical elements brief synopses of all the plays and a comprehensive index along with other guidelines that will help readers locate the perfect monologue for their needs More than just an actor s toolkit Speak the Speech is also an entertaining resource that will help demystify Shakespeare s language for the student and theater lover alike *Atlantis* Greg Donegan,2000 Describes the lost
