**You Sow Is a Bare Seed** Celeste Kennel-Shank,2023-08-17 What You Sow Is a Bare Seed is a group biography that tells the stories of ordinary but extraordinary people who were engaged in movements for renewal in the church and justice in broader society People such as Dora Koundakjian Johnson an Armenian Lebanese linguistics scholar and activist and Doug Huron an attorney who won a landmark US Supreme Court civil rights case They were among those who came together as the ecumenical Community of Christ in Washington DC Planted in the inner city in 1965 when many churches were leaving the Community distinguished itself from the more organized church without rejecting it as one former member says They believed that helping each other identify their gifts was a compelling way to shape their collective ministry beyond themselves The Community initially intended not to own property but later bought a building and opened it up as a community center As a final act of ministry the Community gave its building away to a nonprofit partner when it closed in 2016 leaving a legacy that continues today **Constitutional Amendments Relating to Abortion** United States.
