## **More Than Kindness A Compassionate Approach To Crisis Childbearing:**

**More Than Kindness** Susan Olasky, Marvin N. Olasky, 1990 Pro life activists are doing something about the abortion issue Here are practical biblical solutions to the complex issues of single parenting and adoption and a truly pro life alternative *The Tragedy of American Compassion* Marvin Olasky, 2022-10-25 Can a man be content with a piece of bread and some change tossed his way from a passerby Today s modern welfare state expects he can Those who control the money in our society think that giving a dollar at the train station and then appropriating a billion dollars for federal housing can cure the ails of the homeless and the poor But the crisis of the modern welfare state is more than a crisis of government Private charities that dispense aid indiscriminately while ignoring the moral and spiritual needs of the poor are also to blame Like animals in the zoo at feeding time the needy are given a plate of food but rarely receive the love and time that only a person can give Poverty fighters 100 years ago were more compassionate in the literal meaning of suffering with than many of us are now They opened their own homes to deserted women and children They offered employment to nomadic men who had abandoned hope and human contact Most significantly they made moral demands on recipients of aid They saw family work freedom and faith as central to our being not as life style options No one was allowed to eat and run Some kind of honest labor was required of those who needed food or a place to sleep in return Woodyards next to homeless shelters were as common in the 1890s as liquor stores are in the 1990s When an able bodied woman sought relief she was given a seat in the sewing room and asked to work on garments given to the helpless poor To begin where poverty fighters a century ago began Marvin Olasky emphasizes seven ideas that recent welfare practice has put aside affiliation bonding categorization discernment employment freedom and most importantly belief in God In the end not much will be accomplished without a spiritual revival that transforms the everyday advice we give and receive and the way we lead our lives It s time we realized that there is only so much that public policy can do That only a richness of spirit can battle a poverty of soul The century old question does any given scheme of help make great demands on men to give themselves to their brethren is still the right one to ask Most of our 20th century schemes have failed It s time to learn from the warm hearts and hard heads of the 19th century **God, Marriage, and Family (Second Edition)** Andreas J. Köstenberger, David W. Jones, 2010-05-05 The release of the landmark first edition of *God Marriage and Family* provided an integrated biblical treatment of God s purposes for the home Since then explain authors Andreas Köstenberger and David Jones the crisis confronting modern households has only intensified and yet the solution remains the same obedience to and application of God s Word In the second edition of *God Marriage and Family* Köstenberger and Jones explore the latest controversies cultural shifts and teachings within both the church and society and further apply Scripture s timeless principles to contemporary issues This new edition includes an assessment of the family integrated church movement discussion of recent debates on corporal punishment singleness homosexuality and divorce and remarriage new sections on the theology of sex and the parenting of teens and updated

**The Soul of Science** Nancy Pearcey, Charles B.
