## **More Than Wonderfu:**

John Omwake,2006-08-01 Ned McPherson and Barbara Novak haven't seen each other in twenty years. He's a burnt-out newspaperman who has just quit his job in Virginia. She's a divorced mother who works as a disc jockey at an oldies station in Arizona. They meet again when they return to their hometown in Pennsylvania for their high school reunion. Ned has come for a special reason to apologize for the malicious lie he told about Barbara way back then. This redemptive act is the first step on a journey of time, of distance, and of the spirit that changes Ned's and Barbara's lives in ways neither could have imagined possible. Sometimes funny, sometimes poignant, but ultimately uplifting, this is a story to be savored by all who believe in second chances.

### Peacocks of the Fields

### Working Life of Migrant Farm Workers

Depicts the lives of two migrant work crews composed of 50 workers pulling sweet corn and picking red ripe tomatoes in the East Coast Migrant Stream over a migrant work season during the late 1970 s

The name Kwan in this memoir is the alias for Emiel Owens a 46 year old African American and the Principal Investigator Kwan shares his experience during the year as a member of the two migrant crews highlighting how they travel where they work what income they earn how they survive in deplorable work camps and how competition for scarce economic and human resources under constrained camp living conditions lead to human discards violence and in some cases death

As I start picking tomatoes to day I wasn t aware that there were two separate work crews in the field

The female tomato checker with the black and white straw hat is with Humberto s crew Rosa her sister and two brothers make up Sam s crew

Today there is a territorial dominance intrusion between these two crews

As the two crews move toward each other they find themselves competing for scarce fruit in a limited row space tempers flare and a physical altercation almost takes place in the field between members of two crews

Suddenly things become quiet and both crews leave the field

About 6 00 P M the two conflicting crews meet again at the Lee Brother Commissary in the labor camp

The conflict escalates to violence

Sam and his brother Amulso meet Humberto his brother Francisco and two other workers Alexon and Jorge in a gun duel inside the bar at the commissary

When the smoke clears a few moments later Rosa s brothers Sam and Amulso have mortally wounded Humberto and Francisco by shooting them almost at point blank range in the neck with a sawed off shotgun

Alexon is shot in the right side and paralyzed and Jorge is wounded although less severely

In spite of their mortal wounds Humberto and Francisco walk slowly through the front door of the bar into the night and disappear

They hold back the blood pouring from their neck wounds with their hands as blood runs down their arms onto their chests

Sam and Amulso walk out behind them and they too disappear in the night unharmed
