More Time For Sex:

ADHD and Sex Lyne Piché, 2024-11-07 This innovative workbook allows couples and individuals to explore the intersection of ADHD and sexuality and its many manifestations in a couple's sex life and relationship. With useful and practical interventions provided to help identify and address common sexual problems, Dr. Lyne Piché provides individuals with tools to better communicate their needs to improve intimacy. Chapters discuss how to better maintain attention and focus during sex, explore grounding strategies to help individuals get in touch with their bodies, and encourage individuals to confront anxieties surrounding sexual pleasure, sexual transitions, and address common sexual problems. Through these exercises and discussions, individuals and couples alike can feel empowered to develop a sexual plan and outline ways to improve communication, break down barriers, and discover the advantages of ADHD. This book is essential for adults with ADHD looking to embrace their sexuality, partners of neurodivergent adults, as well as therapists, counselors, and coaches who work with neurodivergent clients. Sexual Identity, Sex of Sexual Contacts, and Health-risk Behaviors Among Students in Grades 9-12 Laura Kann, 2011 Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly. Indeed, as the eminently readable judge and legal scholar Richard Posner shows, we make quite rational choices about sex based on the costs and benefits perceived. Drawing on the fields of biology, law, history, religion, and economics, this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation, incest, taboos, date rape, and gay marriage to Baby M. The first comprehensive approach to sexuality and its social controls, Posner's rational choice theory surprises, explains, predicts, and totally absorbs. The last time we Slept Together, 2018-02-04 Suzan, a young lady that grew up by her own starts to rebuild her life after finding the man of her dreams, Ben. The adventure of being married with kids, family, a stay at home mom, a constant difficulty to handle her marriage with Ben. Also her difficulty to understand Ben's parents that insist on giving them advice and opinions on her own marriage. Will it influence negatively in her relationship with Ben? Once not sleeping in the same room, can it really destroy their marriage? How can Suzan change the path of her marriage and keep her purpose of building a solid and happy family? This book will show how Suzan's dream can come true even when she had a hard time handling her relationship with Ben. Sexual Decisions L. Kris Gowen, 2017-03-06 When it comes to sex and relationships, it is often difficult to find reliable information. Yet everyone has questions and needs information on these important topics. Young people should have access to facts in order to make their own decisions about their sexuality and sexual health.
