**Unsolved Mysteries of the Old West** W.C. Jameson,2013-02-16 This book explores and examines twenty one of the Old West's most baffling mysteries Many relate to the death or disappearance of some of the best known lawmen and outlaws in history such as Billy the Kid Buckskin Frank Leslie John Wilkes Booth The Catalina Kid and Butch Founding Feuds Paul Aron,2016-06-07 The fascinating untold stories of America's founding fathers The Founding Fathers have been hailed for centuries as shining examples of men who put aside their own agendas to found a nation But behind the scenes there were more petty fights and fraught relationships than signatures on the Declaration of Independence From the violent brawl between Roger Griswold and Matthew Lyon in the halls of Congress to George Washington's battle against his slave Harry Washington these less discussed clashes bring to light the unpredictable and volatile nature of a constantly changing nation

Additionally this gripping narrative delves deeper into the famous feuds such as the fatal duel of Alexander Hamilton and Aaron Burr and the many rivalries of Thomas Jefferson which were as often personal as political America's great forbearers fought with each other as bitterly as our politicians do today *Founding Feuds* reveals the true natures of the Founding Fathers and how their infighting shaped our nation as much as their cooperation in fact sometimes even for the better
