**The Best of Writers and Company** Eleanor Wachtel, 2016-04-25 Eleanor's sense of respect, her tact, her utter lack of obsequiousness and her uncanny ability to ask difficult questions have endeared her to readers and listeners. Carol Shields: Eleanor Wachtel is one of the English-speaking world's most respected interviewers. This book celebrating her show's twenty-five year anniversary presents her best conversations from the show, including Jonathan Franzen, Alice Munro, J. M. Coetzee, Zadie Smith, W. G. Eleanor Wachtel has been host of CBC Radio's Writers Company since its inception in 1990. [More Better Deals](#)

Joe R. Lansdale, 2020-07-21 From the Edgar Award-winning author of the Hap and Leonard series, a hard-boiled novel set in 1960s Texas in which a no-nonsense car salesman faces a tempting decision: a dangerous deal and an alluring affair. Ed Edwards is in the used car business, a business built on adjusted odometers, extra fine print, and the belief that buyers better beware. Burdened by an aging alcoholic mother, constantly on his case to do something worthier of his lighter skin tone and dreaming of a brighter future for himself and his plucky little sister, Ed is ready to get out of the game. When Dave, his lazy, grease-stained boss at the eponymous dealership, Smiling Dave's, sends him to repossess a Cadillac, Ed finally gets the chance to escape his miserable life. The Cadillac in question was purchased by Frank Craig and his beautiful wife, Nancy, owners of a local drive-in and pet cemetery. Fed up with her deadbeat husband and with unfulfilled desires of her own, Nancy suggests to Ed in the throes of their salacious affair that they kill Frank and claim his insurance policy. It is a tantalizing offer: the girl, the car, and not one but two businesses. Ed could finally say goodbye to Smiling Dave's and maybe even send his sister to college. But does he have what it takes to see the plan through? Told with Joe Lansdale's trademark grit, wit, and dark humor, **More Better Deals** is a gripping tale of the strange characters and odd dealings that define 1960s East Texas. **Conversations**

In these interviews, Doctorow explores the themes of his work. [The Contemporary British Novel Since 1980](#) James Acheson, S. Ross, 2019-06-12 Written by some of the world's finest contemporary literature specialists, the specially commissioned essays in this volume examine the work of more than twenty major British novelists, including Peter Ackroyd, Martin Amis, Iain M. Byatt, Angela Carter, Janice Galloway, Kazuo Ishiguro, Hanif Kureishi, Ian McEwan, Salman Rushdie, Zadie Smith, Graham Swift, Rose Tremain, Marina Warner, Irvine Welsh, and Jeanette Winterson. **From an Art to a Science of Psychoanalysis** Harry M. Anderson MD D. Psych Frcp, 2011 Think of it When our car breaks down and we take it for repair we want a mechanic who has a scientific basic knowledge of its parts and internal operations We also want one who can find our particular problem We worry if we see that his/her own vehicle is in disrepair And if he misperceives our badly behaving beast and takes a dislike to it we worry more And if the vehicle is our mind and the service person a mental health specialist and we come late and surly for our initial appointment we want him/her to realize that he has just witnessed the first sign of its malfunction Of course a friendly relationship would be welcome but that is not our primary desire With deep and lovely years to spend and miles to go before we end it's reliable transportation we're after So is it impossible to achieve a level of expertise that could help us get it Yes there are differences The human mind was not conceived and built by an engineer who could rhyme off its intricacies at will But scientific clinical studies of its after creation states could lead to such Botanists and zoologists have developed testable theories of phenomena that they did not produce During his medical training Dr Harry M Anderson was inspired by the apolitical curiosity courage and determination of the scientists he encountered and he carried their example into a career in the psychoanalytic domain It led him to test the definability of its concepts and the predictive capability of its principles and methods for doing so during treatments were developed Some held up to validation procedures while others did not and a reliable body of theory began to emerge from the work As it proved repeatedly accurate in sessions with patients he applied it in a parallel analysis of self after his training

analysis Then new research data emerged from several sources to expand its range and as the roots of some of life's most severe symptoms were reached and dismantled the goal of providing complete analyses became more than possible It also became apparent that unsuspected artistic creative potentials could be released in self and others and that theoretically informed analyses could create extensive ripple effects in families career situations marriages and friendships None of his specific research was planned but retrospective notations revealed that each had followed naturally upon the one before Initial offerings had energized the curious part of his mind and pulled the rest of it with them **Kazuo Ishiguro** Kristian Shaw, Peter Sloane, 2024-03-13 A comprehensive collection of newly commissioned essays from world leading Kazuo Ishiguro scholars which offers chapters on each of the novels including the first publication on *Klara and the Sun* 2021 short fictions and screenplays Kazuo Ishiguro *Twenty First Century Fictions* offers a critical reappraisal of the 2017 Nobel Laureate while also uncovering important new thematic and stylistic insights *Contemporary British Novel* James Acheson, 2005-12-14 Written by some of the world's finest contemporary literature specialists the newly commissioned essays in this volume examine the work of more than twenty major British novelists Peter Ackroyd Martin Amis Iain M Banks Pat Barker Julian Barnes A S Byatt Angela Carter Janice Galloway Abdulrazak Gurnah Kazuo Ishiguro James Kelman A L Kennedy Hanif Kureishi Ian McEwan Caryl Philips Salman Rushdie Zadie Smith Graham Swift Rose Tremain Marina Warner Irvine Welsh and Jeanette Winterson The book will be of interest not only to students teachers and lecturers but to the general reader seeking help in approaching the often baffling novels of the recent past Key Features Literary criticalisms are described in clear jargon free language Focuses on British fiction since 1980 giving coverage of established authors such as Angela Carter and Ian McEwan as well as little addressed novelists such as James Kelman and Zadie Smith Essays are by leading scholars in contemporary fiction **Women Writers and the Artifacts of Celebrity in the Long Nineteenth Century** Maura Ives, Ann R. Hawkins, 2016-12-05 In 1788 the *Catalogue of Five Hundred Celebrated Authors of Great Britain Now Living* forecast a form of authorship that rested on biographical revelation and media saturation as well as literary achievement This collection traces the unique experiences of women writers within a celebrity culture that was intimately connected to the expansion of print technology and of visual and material culture in the nineteenth century The contributors examine a wide range of artifacts including prefaces portraits frontispieces birthday books calendars and gossip columns to consider the nature of women's celebrity and the forces that created it How did authors like Jane Austen the Countess of Blessington Louisa May Alcott Alice Meynell and Marie Corelli negotiate the increasing demands for public revelation of the private self How did gender shape the posthumous participation of women writers such as Jane Austen Ellen Wood Mary Elizabeth Braddon and Christina Rossetti in celebrity culture These and other important questions related to the treatment of women in celebrity genres and media and the strategies women writers used to control their public images are taken up in this suggestive exploration of how nineteenth and early twentieth century women writers achieved popular critical and
