body was discovered in the woods behind their house A trauma like that doesn't fit with Glenn's public image Yet maybe someone reading her blog does know something There have been anonymous online messages vague yet ominous hinting that she's being watched And with unsettling coincidences hitting ever closer to home both Glenn and Natalie soon have more pressing matters to worry about especially when a dead body is found in an abandoned building Natalie is starting to wonder how much Glenn really knows about the people closest to her But are there also secrets Natalie has yet to uncover about those she herself trusts About their father About their neighbors About her friends Maybe even about herself But there are no secrets between sisters are there Suspenseful will have readers careening from one erroneous conclusion to the next
