Hewitt, Tara Pammi**

## **Moretti Marriage:**

**Moretti's Marriage Command** Kate Hewitt, 2016-07-01 A wife for the weekend Hannah Stewart is shocked when charismatic but callous CEO Luca Moretti unexpectedly demands she accompany him on a crucial business trip Until he introduces her as his fianc e making his motive clear Nothing not even Luca s deliberately single status will stand in the way of his success Temporarily expanding Hannah s job description was the perfect solution until his assistant s hidden charms test his famed control Though guarded single mom Hannah is the last person Luca should toy with the tempest of passion that rages between them is too powerful to resist But what will happen come 9 00 a m Monday morning The Moretti Marriage Catherine Spencer, 2005 Chloe is about too be married again but one person strongly objects her ex The old husband will try anything to keep that from happening **Hellenistic and Roman Egypt** Roger S. Bagnall, 2024-12-11 This second collection by Roger Bagnall brings together a further two dozen of his studies this time covering Hellenistic Roman and Byzantine Egypt published over the last thirty years Many of the articles deal with issues of historical and papyrological method the restoration of papyrus texts the direction of archaeological work in Egypt economic models for Roman Egypt the usefulness of postcolonial theory and approaches to the defective literary tradition for the Library of Alexandria Others concentrate on particular bodies of evidence ranging from inscriptions to ascetic literature from registers to women s letters

**Democracy and Pluralism** Alan Finlayson, 2009-10-16 William E Connolly s political theory forms a distinct and influential contribution to contemporary debates about the nature and prospects of democratic life in the twenty first century His original conceptualisations of pluralism naturalism the politics of the body religion secularism and his daring incorporation of contemporary neurobiology into political theory and analysis have opened new paths for intellectual enquiry Connolly has brought an American tradition of pragmatist political thinking into fruitful conversation with the best of contemporary continental European philosophy and given to both a new energy and focus In this edited collection a distinguished panel of political theorists from both Europe and the US provide a critical and nuanced assessment of his contribution to the discipline especially in the field of democratic theory They identify the sources of Connolly s work its connections to other ways of thinking about the political and they evaluate his continuing contribution to our understanding of the problems and promises of the present and to our appreciation of what it might mean to fulfil the promise of the democratic way of life The final chapter provides space for Connolly himself to reflect on his interlocutors and further develop his conception of a world of becoming considering the links between political theory and the science of complexity while focusing on the immediate challenges facing both American and world politics **Democracy and Pluralism** provides a critical introduction to the work of William E Connolly and to contemporary debates in political theory encompassing topics such as radical democracy the body religion time and contingency *Victorian Structures* Jody Griffith, 2020-03-01 Although Victorian novels often feature lengthy descriptions of the buildings where characters live work and pray we may not always

notice the stories these buildings tell But when we do pay attention we find these buildings offer more than evocative background settings Victorian Structures uses the architectural writings of Victorian critic John Ruskin as a framework for examining the interaction of physical social and narrative structures in Little Dorrit by Charles Dickens Adam Bede by George Eliot and The Mayor of Casterbridge and Jude the Obscure by Thomas Hardy By closely reading their descriptions of architectural structure this book reconsiders structure itself both the social structures the novels reflect and the narrative structures they employ Weaving together analysis of these three kinds of structure offers an interpretation of Victorian realism that is far more socially and formally unstable than critics have tended to assume It illustrates how these novels radically critique the limitations dysfunctions and deceptions of structure while also imagining alternative possibilities This unique interdisciplinary approach emphasizes structure in time while current conversations about structure focus on its static and fixed properties this book understands it as various forces in tension producing meanings that are always in flux Victorian Structures focuses not only on the way structures shape our perceptions and experiences but also more importantly on the processes through which those structures come to be constructed in the first place and how they change over time

*Children of Globalization* Ricardo Quintana-Vallejo, 2020-12-10 Children of Globalization is the first book length exploration of contemporary Diasporic Coming of age Novels in the context of globalized and de facto multicultural societies Diasporic Coming of age Novels subvert the horizon of expectations of the originating and archetypal form of the genre the traditional Bildungsroman which encompasses the works of Johann Wolfgang von Goethe Charles Dickens and Jane Austen and illustrates middle class European enlightened and overwhelmingly male protagonists who become accommodated citizens workers and spouses whom the readers should imitate Conversely Diasporic Coming of age Novels have manifold ways of defining youth and adulthood The culturally hybrid protagonists often experiencing intersectional oppression due to their identities of race gender class or sexuality must negotiate what it means to become adults in their own families and social contexts at times being undocumented or otherwise unable to access full citizenship thus enabling complex and variegated formative processes that beg the questions of nationhood and belonging in increasingly globalized societies worldwide

*His Bride for One Night* Miranda Lee, 2010-05-14 Successful divorce lawyer Daniel Bannister lived his life with no strings attached flexing his expertise in the courtroom and the bedroom So how did Daniel meet and marry Charlotte Gale within twenty four hours When he discovered that Charlotte had been jilted the day before her wedding he had a plan to suit both of them why not go ahead with the ceremony with him as her pretend groom The honeymoon suite would be ready and waiting
