## **Morgan An American Financier:**

**Morgan** Jean Strouse, 1999 A century ago J Pierpont Morgan bestrode the financial world like a colossus The organizing force behind General Electric U S Steel and vast railroad empires he served for decades as America s unofficial central banker a few months after he died in 1913 the Federal Reserve replaced the private system he had devised An early supporter of Thomas Edison and Andrew Carnegie the confidant and rival of Theodore Roosevelt England s Edward VII and Germany s Kaiser Wilhelm and the companion of several fascinating women Morgan shaped his world and ours in countless ways Yet since his death he has remained a mysterious figure celebrated as a hero of industrial progress and vilified as a rapacious robber baron Here for the first time is the biography Morgan has long deserved a magisterial full scale portrait of the man without whose dominating will American finance and culture would be very different from what they are today In this beautifully crafted account drawn from more than a decade s work in newly available archives the award winning biographer Jean Strouse animates Morgan s life and times to reveal the entirely human character behind the often terrifying visage Morgan brings eye opening perspectives to the role the banker played in the emerging U S economy as he raised capital in Europe reorganized bankrupt railroads stabilized markets in times of crisis and set up many of the corporate and financial structures we take for granted And surprising new stories introduce us in vivid detail to Morgan s childhood in Hartford and Boston his schooling in Switzerland and Germany the start of his career in New York as well as to his relations with his esteemed and exacting father with his adored first and difficult second wives with his children partners business associates female consorts and friends Morgan had a second major career as a collector of art stocking America with visual and literary treasures of the past Called by one contemporary expert the greatest collector of our time he spent much of his energy and more than half of his fortune on art Strouse s extraordinary biography gives dramatic new dimension not only to Morgan but to the culture political struggles and social conflicts of America s momentous Gilded Age *Morgan* Jean Strouse, 1999-06-01 A century ago J Pierpont Morgan bestrode the financial world like a colossus The organizing force behind General Electric U S Steel and vast railroad empires he served for decades as America s unofficial central banker a few months after he died in 1913 the Federal Reserve replaced the private system he had devised An early supporter of Thomas Edison and Andrew Carnegie the confidant and rival of Theodore Roosevelt England s Edward VII and Germany s Kaiser Wilhelm and the companion of several fascinating women Morgan shaped his world and ours in countless ways Yet since his death he has remained a mysterious figure celebrated as a hero of industrial progress and vilified as a rapacious robber baron Here for the first time is the biography Morgan has long deserved a magisterial full scale portrait of the man without whose dominating will American finance and culture would be very different from what they are today In this beautifully crafted account drawn from more than a decade s work in newly available archives the award winning biographer Jean Strouse animates Morgan s life and times to reveal the entirely human character behind the often terrifying visage Morgan

brings eye opening perspectives to the role the banker played in the emerging U S economy as he raised capital in Europe reorganized bankrupt railroads stabilized markets in times of crisis and set up many of the corporate and financial structures we take for granted And surprising new stories introduce us in vivid detail to Morgan s childhood in Hartford and Boston his schooling in Switzerland and Germany the start of his career in New York as well as to his relations with his esteemed and exacting father with his adored first and difficult second wives with his children partners business associates female consorts and friends Morgan had a second major career as a collector of art stocking America with visual and literary treasures of the past Called by one contemporary expert the greatest collector of our time he spent much of his energy and more than half of his fortune on art Strouse s extraordinary biography gives dramatic new dimension not only to Morgan but to the culture political struggles and social conflicts of America s momentous Gilded Age     **J. Pierpont Morgan** Michael Burgan,2006-07

Read about the life of this rich and powerful capitalist     **Morgan** Jean Strouse,1999-01-01 Presents a biography of the American banker financier and art collector J P Morgan     **Anne Morgan** Alan Govenar,Mary Niles Mack,2023-06-28 An inspiring story of an extraordinary woman the youngest daughter of J P Morgan and her commitment to photography philanthropy and advocacy Biographical essays detail Morgan s life and work as well as her use of the photographic image in her philanthropic efforts Includes a facsimile of The American Girl Morgan s social critique and veiled autobiography published in 1916     **The Biography of Jp Morgan** Michael Leslie,2017-05 John Pierpont J P Morgan April 17 1837 March 31 1913 was an American financier and banker who dominated corporate finance and industrial consolidation in late 19th and early 20th Century United States     *Encyclopedia of U.S. Political History* Andrew Whitmore Robertson,2010

Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs

and tables enhance the text Signed entries by a stellar group of contributors

**VOLUME 1 Colonial Beginnings through Revolution 1500-1783** Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

**VOLUME 2 The Early Republic 1784-1840** Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

**Brotherhood of Locomotive Engineer's Monthly Journal**, 1901 *France*, 1919 **The Oxford Companion to United States History** Paul S. Boyer, Melvyn Dubofsky, 2001 In this volume that is as big and as varied as the nation it portrays are over 1,400 entries written by some 900 historians and other scholars illuminating not only America's political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion

**President McKinley, War and Empire** Richard F. Hamilton, 2017-09-08 This second volume of President McKinley War and Empire assesses five theories that have dominated analysis of modern societies in the last century liberalism Marxism mass society pluralism and elitism in accounting for an aberrant event in American history the Spanish American War President McKinley and the Coming of the War 1898 volume 1 of this definitive history considered the origins of that war This second volume is concerned with the war's outcome the settlement in which the U S gained an empire The book begins by reviewing various expansionist episodes in U S history some successes some failures and by analyzing the complexities support and opposition involved in expansionism It then examines the work of expansionist writers men said to have driven the 1898-99 movement finding these claims to be questionable Hamilton assesses McKinley's decision making in regard to the settlement of the Spanish American War including the influences that might have moved him as well as his own justifications He then reviews the subsequent achievements the size and character of the new American empire trade flows the Philippine experience and U S efforts in China supposedly the prime goal of the new imperialism Many contemporary writers anticipated great possibilities in China but that fabled market remained minuscule throughout the following century Much American trade continued to be with Western Europe while the biggest change in U S exports went largely unnoticed Canada became the nation's number one trading partner In much historical writing McKinley is portrayed as little more than a front man for Mark Hanna the adept businessman politician who organized and led his presidential campaign aided by generous financial contributions from business leaders across the nation Hanna certainly was a leading figure in McKinley's career but the assumption that his influence was controlling is not justified as has been shown in recent research McKinley was far more than a figurehead easily manipulated by representatives of the interests

**Capital City** Thomas Kessner, 2004-04-07 At the

beginning of the nineteenth century New York City was an undistinguished town competing with Philadelphia and Boston to be America's dominant port city. Just two generations later it had built itself into the country's powerhouse center of trade and finance, rivaled only by London as financial capital of the world. In *Capital City*, Thomas Kessner tells the story of this remarkable transformation. With the advantages of its famous harbor and the opening of the Erie Canal in 1825, New York became the chief commercial center for the growing nation. As the shipping industry prospered, capital accumulated and a growing banking center emerged. New York went on to finance the Union cause during the Civil War, open the West to development and consolidate the national railroad system. The city's energy and opportunity attracted ambitious men from all over the country whose names became synonymous with big business: Vanderbilt, Carnegie, Rockefeller and Morgan. New York's banks set the interest rates for the nation; its stock exchange fixed the price of securities; its investors transformed American business from family-owned enterprises into modern corporations; and its growing political clout catapulted public figures such as Samuel Tilden and Teddy Roosevelt onto the national stage. Combining political and urban history with a colorful cast of characters, *Capital City* chronicles how Gotham's Gilded Age reshaped the metropolis and the nation as it molded our present-day economy. Old Masters, New World Cynthia Saltzman, 2008 SALTZMAN OLD MASTERS NEW WORLD

**QFINANCE: The Ultimate Resource, 4th edition** Bloomsbury Publishing, 2013-09-26 QFINANCE The Ultimate Resource 4th edition offers both practical and thought-provoking articles for the finance practitioner written by leading experts from the markets and academia.
