Get to know The Buckhorn Brothers: Sawyer, Morgan, Gabe, and Jordan. Sawyer, Hudson, being the only doctor in Buckhorn County, took it upon himself to rescue the beautiful but enigmatic woman who came literally crashing into his life. Honey Malone was on the run, fleeing a dangerous predator when she lost control of her car, drove into a lake, and found herself up to her neck in breathtaking men. Morgan, Hudson, commanded a lot of respect as Buckhorn's biggest, baddest sheriff. How one petite city woman could turn him on his head was a mystery. Misty Malone did just that, and Morgan couldn't wait until she went back where she belonged. But then he discovered why she'd come in the first place. Gabe, Kasper, heartthrob of Buckhorn County, could have had any woman he wanted if he'd had a mind to settle down. Which he didn't. The freedom of being a jack of all trades with no one to answer to suited him just fine. And then a prickly, uptight, red-haired college woman, Elizabeth Parks, showed up. Jordan, Sommerville, healer of helpless animals, rescuer of strays, a man who could seduce a woman with his voice alone. Yet he didn't use that power often. His brothers kidded that he was holding out for a paragon of virtue, and not many in Buckhorn qualified. But then he met Georgia and broke all his own rules.      **Buckhorn Beginnings** Lori Foster, 2015-12-14

Sawyer, Sawyer, Hudson, being the only doctor in Buckhorn County, took it upon himself to rescue the beautiful but enigmatic woman who came literally crashing into his life. Though he knew he should keep things platonic and professional when he's around her, his body had other ideas. And his heart was no more cooperative. Honey Malone was fleeing a dangerous predator when she lost control of her car, drove into a lake, and found herself up to her neck in breathtaking men. After the brothers nursed her through her injuries, she tried to leave, but she hadn't bargained on their stubborn protectiveness. Or the passionate bond that tied her to Sawyer, Morgan. Morgan, Hudson, commanded respect as Buckhorn's biggest, baddest sheriff. How one petite city woman could turn him on his head was a mystery, and also downright aggravating. But Misty Malone did just that, and Morgan couldn't wait till she went back where she belonged. But then he discovered why she'd come in the first place. Misty Malone had hoped to take refuge with her sister, who'd just married into a family of sinfully attractive brothers. They all treated her like gold, all but one. Morgan seemed to think she was a femme fatale out to seduce his brothers. But seduction was the last thing on her mind. Foremost was the baby she's secretly carrying. And then avoiding the sexual sparks between her and Morgan.      [Jordan](#) Lori Foster, 2022-05-24
