Frederick,2022-09-13 A lively and multi faceted account of Evelyn and William De Morgan exploring a unique artistic partnership that spanned several cultural circles including the Pre Raphaelites and Arts and Crafts movement With a partnership spanning two centuries the Pre Raphaelite painter Evelyn 1855 1919 and Arts and Crafts potter and author William De Morgan 1839 1917 influenced several significant art movements in nineteenth century Britain Despite this their impact has been relatively overlooked in comparison with their better known contemporaries Evelyn William De Morgan is the first major publication devoted to the work of either artist and their unique relationship It draws out each artist s individuality while providing a comprehensive view of the expanded cultural milieu in which they functioned not least with regard to new attitudes towards Victorian marriage as a working partnership The fully illustrated publication features numerous contributions which explore the reach of the De Morgans partnership their political and spiritual interests and their immersion within several influential cultural circles of the day including Pre Raphaelite Arts and Crafts and Aesthetic Movement groups The book presents a lively and multifaceted account of the De Morgans and their creative partnership Published in association with Delaware Art Museum Exhibition Schedule Delaware Art Museum Wilmington October 22 2022 January 29 2023 Crocker Art Museum Sacramento CA September 17 2023 January 7 2024 Museum of Fine Arts St Petersburg FL January 27 2024 May 2024 **Town and Country** Rebecca Morgan,2022-05-24 The first monograph of the contemporary art world s newest sensation Town Country is the first monograph dedicated to the work and unique universe of artist Rebecca Morgan From deep in rural Pennsylvania to the Pratt Institute and back to Pennsylvania the book traces the journey of this gifted artist as she becomes increasingly famous in the art world but feels constantly torn between the rural and the urban Her paintings drawings ceramics and cartoons subvert the stereotypes of Appalachia and are imbued with folk tradition and a sly sense of humor Stylistically Morgan embraces the hyper detailed naturalism of the Dutch masters as well as the absurd repulsive caricature suggestive of underground cartoonists such as R Crumb Although her artwork often

contains modern clues the characters and scenes evoke a romanticized nostalgic United States one that is nonexistent but wistfully recalled With a preface by Amy Sedaris and an essay by poet and art critic John Yau this book showcases Morgan s most famous paintings and drawings alongside many previously unseen personal documents from her archives making Town Country a truly unique and never before seen type of art book a combination of monograph personal diary and scrapbook
